The Major League

TML 1994

By Mike Landin

Our 16th season saw the end of one era and the beginning of another. The era that ended was the double-Association structure of the TML, when the National Association abruptly seceded from the TML. No actual single reason was given for the secession, but it appears after the fact that the "straw that broke the camel's back" was the imminent arrival of the "TML Central BBS", which represents the beginning of the new era in TML. The separation between the American and National Associations had been widening for several years. I will quote Jim Pertierra from the last Yearbook, when he wrote, "*Speaking for myself, I am extremely pleased with the course of the TML as a whole. We have a great group of managers and, even as we lose good people, we gain good people. Next year, it looks like the rookie drafts will not only be held in separate places, but will be held months apart. That will be a first. That does not mean that the league is splintering, it just means that we continue to listen.*" Well ... the league did splinter after all. I wish Jim all the luck in the world ... is just saddens me to lose a good friend after all these years.

On to a brighter topic ... the TML Central BBS. The BBS was unveiled back in March and is currently in full use for TML95. A few bugs had to be worked out and a number of managers had to be led step-by-step through the procedures, which was very much expected. However, I must say that by the end of April, you guys are acting like pros on the BBS. I am most impressed! This may be the first league of its kind to have "real time" standings and stats only a phone call away. Once everyone gets used to using the Message system to discuss rule proposals and initiate trade talks ... only then, will the true power of the BBS be seen. Keep up the great work!

In the Pertierra tradition of giving honors to the Charter Members of the TML, it's just down to John Gatto and moi, Mike Landin. However, we have a number of members that have been around for 10 or more years: Mark Hetterich(15), Joe Steinmetz(14), Mike/Tom Kopp(14), Bob Weisman(13), Larry Rumsey(12), Eric Rogers(11) and Mike Short(10). We also saw the departure of 10-year veteran Rich Perrotti. The door is always open, Rich.

The Year in Review

TML94 ended as many have in the past 16 years, with Rocky Hall taking his Kentucky Wardogs to the TML Championship. For Hall and the Wardogs, this made 5 Championships out of 6 World Series tries. A feat that will be tough to duplicate. The Wardogs defeated American Champ Mike Short and his Colonie Flames. This was the second meeting between these two teams, the first being in the World Series of TML86. Congratulations to both Rocky and Mike. With the secession of the National, the American Conference Champs will now meet for the TML Championship. Past TML records will be adjusted to reflect this change, as all National records will be *null and void*. (See the TML Records section at the back of this Yearbook.) Complete post season linescores and stats follow.

Robinson Division

The Colonie Flames won the division crown wire-to-wire, taking a 4-game lead in April and building it to an 8-game finish ahead of the 'Skayuna Squires, who had edged Cooch's by 3 games. Philadelphia had been in the race until September, when they faded badly. Thunder Bay and Albany were never seriously in contention. For Colonie it was their 2nd straight division title and for 'Skayuna, it was sweet revenge for a 3rd place 101-win season two years ago. Colonie was led offensively by part-timer Kevin Mitchell, who hit 46 HR and had 130 RBI in under 500 AB. Dave Justice and Ellis Burks also provided some pop. The Flames had a strong starting staff, led by fireballer Randy Johnson (19-9, 2.85) and his league leading 275 K. The Squires were led by "Crime Dog" McGriff and his 52 HR and 148 RBI, not missing a single game. Squire Lance Johnson set a TML record for most Triples with 29. Cooch's had the batting champ in Tony Gwynn (.383), the HR champ in Matt Williams (62 HR) and the Fireman of the Year in Mel Rojas (45 SV, 49 RP), despite 10 BS. Albany's Tettleton set a TML record for walks with 151.

Ruth Division

The Pensacola Stingray easily won the Ruth Title, despite 2nd place Walla Walla Wombats winning 106 games! Pensacola jumped out early and Walla Walla could not close to within 5 games, eventually finishing 7 GB. Michigan and Ghostwood hung around the middle of the pack, with Coldwater and Mansion Hill picking up the rear. The Stingray were led by two-time Player of the Year, Albert Belle, who set TML records for TB (460), SLG (.767) and RC (199), while belting 60 HR, scoring a league leading 158 R, with a league leading 182 RBI. The Stingray scored 1081 runs, with the following players all with 100+ RC: O'Neill (155), Jefferies (113), Dykstra (105), Jay Bell (103) and Piazza (100). The pitching staff was headed by co-aces, Ken Hill (24-3) and Jack McDowell (25-5). The Wombats also had four 100+ RC men in Larry Walker (151), Julio Franco (123), Biggio (122) and Bonilla (102). The Wombat ace was Bret Saberhagen (24-8). Michigan's Knoblauch set a TML record for doubles with 69.

Williams Division

The Chicago Bruins and the New Jersey Pinstripers were in a flip-flop battle for the lead until June, when New Jersey opened up a 7+ game lead. The Bruins charged back and won the division going away. The Pinstripers could not win on the road ... the TML version of the Denver Broncos. Riverview, Mordor and Los Angeles remained fairly close through the Summer, but L.A. faded badly at the end. Wisconsin remained mired in last. The Bruin offensive star was Sammy Sosa (50 HR, 145 RBI) and his 143 RC. Mo Vaughn also contributed, with 113 RC and 41 HR. Steve Ontiveros was the Bruin ace, going 18-3, with a league leading 1.63 ERA. New Jersey had a well-balanced offense, headed by Lofton (137 R, 130 RC, league leading 53 SB), Palmiero (125 RC) and Joe Carter (40 HR, 108 RC). Pinstriper 20-game winners were Ramon Martinez (20-10) and Barry Jones (20-12). Jones tossed the only TML No-Hitter, winning 4-0 against Albany in June.

Gehrig Division

The Cheticamp Micmacs won the battle, holding off the St. Cloud Power Loons, who in turn, beat out the Oklahoma Supercells. For Cheticamp it was their first Division Title and for St. Cloud it was their first trip ever to the playoffs. Alberta, Rocky Mountain and Rockford all settled slowly to the bottom half of the division. The Micmac leader was Frank Thomas' 190 RC (league leading OBP .471, 143 R, 150 RBI, 49 HR). Will Clark chipped in 115 RC and Ray Lankford 105 RC. The Micmac staff was shaky, but five different pitchers won 10+ games. Doug Jones saved 37 games. The Power Loons big bat was Jeff Bagwell's 169 RC (127 R, 135 RBI, 66 2B, 49 HR). St. Cloud boasted five different pitchers with 12+ victories. Mike Fetters saved 34 games for St. Cloud. In a totaled wasted, incredible single season performance, Alberta's Greg Maddux was selected Pitcher of the Year, with his league leading 26-3 record, 2.10 ERA and league leading totals in CG (19), Sho (8) and innings pitched (308). Alberta's David Hulse set a TML record for Sacrifices with 52.

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 38 Occupation: Financial Analyst

The Season Story

After reaching .500 mark in 1994, the Avalanche slid back a bit in 1995. Mickey Tettleton had another solid season with 31 HRs and a TML record 151 walks. Shane Mack hit .308 before saying, "Sayanora!" The pitching continues to improve, so perhaps there is light at the end of the tunnel. The offense improves next year with O'Leary, Munoz, Greenwell and Tettleton expected to form a nucleus to compliment Valdes, Martinez, Ritz and McDonald in the starting rotation.

ALBERTA Clippers

Manager: Mike Landin (Teri)

Age: 42 Occupation: Meteorologist

1996 Team Name Change

Toxic Waste

The Season Story

This was a tough season for the Clippers, as they flirted with the .500 mark and eventually slipped below. Pitcher of the Year, Greg Maddux, did all he could, posting an incredible 26-3 record and 2.10 ERA, with 8 shutouts. Maddux had 35% of the Clipper victories! The rest of the staff was not too effective. Even the "Eck" was showing his age, saving 32 games, but blowing 10 and posting a 4.67 ERA. Offensively, Darren Daulton (.317, SLG .620) provided punch, along with Jose Canseco (112 RBI) and Chili Davis (104 RBI). Tony Phillips had to be the most feared .234 hitter in the league! Rich Amaral (.355) was a pleasant surprise in a utility role.

Four Clippers had 20+ HR.

CHETICAMP Micmacs

Manager: Eric Rogers (Barbara)

Age: 37 Occupation: Meteorologist

The Season Story

Cheticamp blasted away on their opponents to a division title, the first for the current manager and first for the franchise since they were the Firestone Parkers in 1983. Frank Thomas set franchise records for HR (49) and RBI (150), and led the Association in OBP (.471). Carlos Baerga probably had the highest RBI/BB ratio in baseball history (139:3). Cheticamp pitching was generous with base hits (.284 OP%), but stingy with HR allowed (107, lowest in the Association). Although the Micmacs went down in the playoffs against New Jersey, it was still a great season!

CHICAGO Bruins

Manager: John Gatto (Sylvia)

Age: 68 Occupation: Retired

The Season Story

The Bruins reached the playoffs for the first time since 1980! Third in batting and #1 in pitching (a surprise) did the trick. No. 1 draft pick Joey Hamilton helped to attain the latter. The biggest surprise showing on the entire team was Bob Tewksbury, who was "unlimited" (MLB ERA: 5.32) and managed a 16-8 record and 9th best ERA in the entire Association. The arrival of Sammy Sosa (.326, 50 HR) didn't hurt.

COLONIE Flames

Manager: Mike Short (Monica)

Age: 41 Occupation: Web Master

1996 Team Name Change

Crimea River

The Season Story

A fast start for the Flames put the Division Title out of reach early. Then, the team played like they were bored the rest of the way. Kevin Mitchell (46 HR, 130 RBI, .681 SLG) set team power records and the offense scored more often than ever. Randy Johnson was solid, but the rest of the pitching was erratic. Of course, Flames' throwers of the past have set tremendously high standards.

COOCH's Clowns

Manager: Greg Couture

Age: 20 Occupation: Student

The Season Story

First winning season for the Clowns led by team co-MVPs Tony Gwynn and Matt Williams. Gwynn won the Association batting title (.383) and led in hits (241), while being 4th in 2B (58), as well as placing among the leaders in TB, OBP, RC and RC/27. Williams was the HR Champ (62 HR), 2nd in RBI (157), as well as placing among the leaders in TB, SLG and RC. Steady staff led by Portugal and Rogers, as well as "Fireman of the Year", Mel Rojas (45 SV, 49 RP). Solid lineup returning for next season, but the starting rotation will need work.

GHOSTWOOD Pine Weasels

Manager: Kevin Tyle

Age: 31 Occupation: Meteorologist

The Season Story

It would have been a banner year for the Pine Weasels ... if April's games had been exhibitions. The slow start proved to be too much for Ghostwood to overcome in the tough Ruth Division. However, the team's explosive power made almost every game seem winnable. With a little more speed, who knows where we would have finished. Particularly bright standouts were Thome and Griffey at the plate, and Hoffman and Taylor in the pen.

The Season Story

The Spider began to see the effects of "old age" set in, finishing in 5th place, 18 games below the .500 mark. Road trips were especially horrendous (28-52). The offense was led by All Star shortstop Cal Ripken (.331, 198 H, 31 2B, 14 HR, 96 RC). Wade Boggs (.319, 102 R, 106 RBI, 22 HR, 116 RC) was a run producing machine. Cora (.326), Morris (.311), Kirby(.310) and Whitaker (.301) all hit over .300. This strong offense was not enough to offset a team 5.09 ERA. Kevin Appier (19-9) nearly won 20 games with a 4.65 ERA. Jose Rijo (15-13, 3.88) had a fine season. Steve "Sniff" Howe was the closer, saving 19 games, but blowing 9 others.

The Season Story

The offense was weak, the pitching was weaker, but they were both improved from last year, along with a better overall record. (Hopefully, next year, we'll only platoon at 2 or 3 positions, instead of 7.) "El Gato" was impressive, hitting 45 dingers and driving in 117 runs. Butch Henry looked good posting a 2.86 ERA, while Montgomery managed 21 SV with a pathetic 6.04 ERA. The young talent showed promise, so we'll keep our fingers crossed.

MICHIGAN Terminators

Manager: Lonnie Buys

Age: 28 Occupation: Clerk

1996 Team Name Change

St. Louis Slyme

The Season Story

The Terminators were never in contention this season, but finally finished more than a game or two ahead of family rival Coldwater. The offense was pretty weak, led by Brett Butler (.318, 96 R, 114 RC). Butler was the only .300 hitter and no one scored or drove in 100 runs. Good thing Lee Smith was his old self, saving 28 games, otherwise it would have been a "longer" season. Only one pitcher, Kent Mercker (14-7) won over 10 games. Both Moyer (6-17) and Pete Smith (7-18) avoided 20 loss seasons. Back to the drawing (drafting?) board for this expansion team!

MORDOR Marauders

Manager: Phil Schumacher (Cindy)

Age: 29 Occupation: Meteorologist

The Season Story

Mordor started the season with high hopes as they traded to get Vince Coleman. Raul Mondesi took over the starting job in RF. Offensively, the Marauders had their most productive year with two players hitting more than 20 HR and five players with 30+ 2B. The starting pitching was adequate as Cal Eldred again posted more than 15 wins. However, an unreliable bullpen prevented Mordor from reaching the playoffs for a 2nd year. There were 18 blown saves by the bullpen and opponents hit .277 against the entire staff.

NEW JERSEY Pinstripers

Manager: Rich Perrotti (Donna)

Age: 39 Occupation: Sales

1996 Team Name Change

Beverly Hillbillies

The Season Story

A terrific year at home for the 'Stripers, but a Manager's nightmare on the road. Once again, in the playoffs, but missing a divisional crown. Kenny Lofton still shines as the pre-eminent leadoff man and base stealer, while Palmiero and Carter get rich cashing him in. Role players, such as Ricky Jordon, helped make this one of the best New Jersey hitting teams ever. The staff was anchored by 20-game winners Ramon Martinez and Bobby Jones, and the new young stud in the bullpen, John Hudek.

OKLAHOMA Supercells

Manager: Mark Plate

Age: 30 Occupation: Meteorologist

The Season Story

Oklahoma enjoyed their first season above .500, as they finished 81-79. The team especially excelled in 1-run games, thanks to two great closers John Wetteland and John Franco. However, too often the starting pitching faltered and this kept the Supercells from reaching the playoffs. Tino Martinez and Jim Leyritz supplied much of the offensive power, but they both had subpar batting averages. Jeff Frye and Mike Kingery both had good years at the plate and Oddibe McDowell provided some much needed speed on the basepaths.

The Season Story

Started out very well clutch hitting ... good pitching ... like the Philly teams of several years ago. The competition improved and reality set in. We can see the "light at the end of the tunnel" after several rough years. I was pleased with our overall 79-81 record.

RIVERVIEW River Rats

Manager: Jon Pine

Age: ? Occupation: Security Guard

1996 Team Name Change

Midwest Mad Dogs

The Season Story

The Rats finished over .500, but could not put it together to seriously contend. The offense was strong, lead by .300 hitters, Moises Alou, Steve Finley, Sid Bream and Tony Tarasco. Alou had a terrific year, scoring and driving in over 100 runs. Eight different players hit 10+ HR, with Dean Palmer leading the pack with 30. Pat Hentgen surfaced as the "ace" of the staff, posting a 22-9 record and a 3.37 ERA. The rest of the staff was not consistent enough to make the team a contender. Eichhorn saved 21 out of the pen.

ROCKFORD Radar

Manager: Mike Kopp (Louise)

(G.M. Tom Kopp)

Age: 31 Occupation: Engineer

The Season Story

We did as well as expected. Barry Bonds had his usual banner year. Manny Ramirez was a surprise. Except for Zane Smith, the Radar pitching staff was awful (and that's being nice!). Smith was the first 20-game winner in a long time. The loss of John Kruk and Mitch Williams also hurts.

ROCKY MOUNTAIN Chinooks

Manager: Jeff Chapman (Sally)

Age: 30 Occupation: Meteorologist

The Season Story

Who would have ever thought that this year of so much potential could end with so much mediocrity? One thing I can say for this team ... no lead was ever safe ... no deficit too small. Sheffield continued to prove his worth from the expansion draft ... knocking out a franchise best 42 HR. Burkett compiled 15 wins to lead the Chinooks. We even had a league leader in Scott Cooper ... 35 errors!

'SKAYUNA Squires

Manager: Hank Pedicone (Eileen)

Age: 45 Occupation: Attorney

The Season Story

This team was a bit of a surprise, especially after a slow start. Pitching was always an adventure (see Beck's 10 blown saves). But ... there was enough hitting to come up with 88 wins and a playoff spot. It kind of makes up for the Squires 101-win 3rd place performance a couple of years ago.

ST. CLOUD Power Loons

Manager: Bob Weisman

Age: 35 Occupation: Professor/Meteorology

The Season Story

Wow! 85-75 may not seem like much for most franchises, but it tied St. Cloud's best record ever from 1981 and was only the 5th time the team has been over .500. Add to that St. Cloud's first playoff appearance and it was a great year. Jeff Bagwell was, of course, incredible, setting team records in 2B, HR, R, TB, SLG, OBP and RC. But, he had help. The entire team set franchise records for AVG, OBP, R, H, SLG, 2B and HR. A tough bench, especially Donnels, Scarsone and Williams, and a bullpen that really worked well all added up to a surprise playoff berth. It's about time!

The Season Story

A very consistent year. We started at .500, went down the stretch flirting with .500 and ended up just under .500. The pitching was outstanding and the fielding was decent. The offense was "Jekyll and Hyde". It could pound you into the ground one day and be non-existent the next. Let's just say we're not sorry to see 1885 end.

The Season Story

Another solid season played in the shadow of Pensacola. The team had five players with 100 or more RBI, three players that hit over .300 and four players with 25 or more HR. This well-balanced attack was led by Larry Walker (.338, 43 HR, 149 RBI) and Julio Franco (.309, 36 HR, 118 RBI). Saberhagen led the staff with 24 wins and rookies Foster (13-6) and Nen (29 SV) were major contributors.

WISCONSIN Phoenix

The Season Story

Once again, it was a disappointing season for the Phoenix. Wisconsin was never a serious contender ... just a team trying to fight for respectability. Even that was beyond reach. Some more young players blossomed and once again there is hope that the team will eventually come around.

Stat Key

Below you will find some explanations on a few stat categories:

RC: runs created ($RC = [A \text{ times } B] \text{ divided by } C$), where,

$$A = H + W + HBP - CS - GIDP$$

$$B = TB + .26 \times (TBB - IBB + HBP) + .52 \times (SH + SF + SB)$$

$$C = AB + TBB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS: quality starts; the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or less.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

★ - TML Record

☒ - Tied TML Record

The Season Story

Another good year for a well-balanced Wardog team. Albert Belle had over 160 RBI for the second year in a row and Roger Clemens returned at 26-7, 2.84. Eddie Williams hit .370 and drove in 107 RBI in only 300 ABs. Melido Perez won 20 and Mike Jackson was great with a 1.27 ERA. Jim Bullinger (18-2, 2.67) was the surprise. Craig Biggio had a record 79 doubles. Kentucky set many National Association records, 1079 runs not the least!
