The Major League

TML 1999

By Mike Landin

As we moved into our third decade, the road did not get any smoother. **Colonial**, **Syracuse** and **Latham** all lost their managers and the TML was handed manager resignations, effective at season's end, from **Mudville** and **Tasmania**. The TML entered 2001 with four franchises still looking for new managers. Nonetheless, it was another season packed with great baseball and record-setting performances. The career stats continue to pile up ... after 21 years!

In keeping with tradition, here are the members with at least 10 years of membership in the TML: **Mike Landin**(21), **Joe Steinmetz**(19), **Mike/Tom Kopp**(18), **Bob Weisman**(18), **Eric Rogers**(16), **Mike Short**(15), **Bryan Sakolsky**(15), **Bill Graham**(14), **Hank Pedicone**(11) and **Mark Plate**(10). The TML wishes the best to **Bill Graham** and **Dave Schumacher**. A welcome is extended to **Matt Pertierra**, who took over the troubled **Syracuse** franchise.

The Year In Review

TML99 saw the **Crimea River** become the first TML franchise to win their fourth **TML Championship**. For **Mike Short**, it was his 3rd title, the most for any TML Manager active or otherwise. In the first round of the playoffs, **Crimea** buried **Southern Cal** in a sweep and then handled long-time Conference rival, **Walla Walla**, in six games. **Mansion Hill** came from behind twice in the series against defending Atmospheric Conference champ, **Toxic Waste**, to win in 7 games. From there, **Mansion Hill** dispatched division rival **Ghostwood** in a surprising 5 games. For the **Mansion Hill** franchise, it was their 2nd trip to the **TML World Series**, but the first for **Mike Cempa**. With the World Series tied at 2 games apiece, **Crimea's** pitching depth prevailed, as the **River** won 3-1 and 3-2 in the final two games to win the **TML Championship**. Congratulations to both Mikes!

Robinson Division

The **Crimea River** battled with the **Albany Avalanche** and the **Mudville Nine** for a few months and then by the end of June had developed a 7game lead, which they extended to 10 after the Summer Stretch, eventually winning by 19 games! **Albany**, in first place at the end of May, never recovered from a 14-20 June, remaining 5 games behind **Mudville** the rest of the way. '**Skayuna**, **Colonial** and **Syracuse** remained below .500 all season and finished 35 games or more behind. For **Crimea**, **Nomar Garciaparra** (.343) was in the batting race for most of the season and was the team leader in many offensive categories. Late-season acquisition **Jim Thome** added punch to the **Crimea** offense. Rookie **Mark Quinn** had a pinch-hit mark of .536, with 4 PH-HRs. **Crimea's** strong point was their pitching, which led the TML by over a half-run (3.15) in ERA. Co-aces, **Randy Johnson** (23-8, 369 Ks) and **Kevin Millwood** (21-8) anchored the staff. **Millwood** and teammate **Mike Mussina** both tossed **no-hitters**. **Wade Boggs** (2929) ended his TML career just 71 hits shy of 3000. **Mudville** led the TML in batting at .298, which more than made up for their pitching (4.79). Eleven **Mudville** batters hit .300 or higher and five had 22 or more HRs, lead by **Jeff Bagwell's** 46 HRs. **Albany's Pedro Martinez** put up big numbers, but it was "**Pitcher of the Year**" **Pedro Martinez** (18-8, 2.53, 7 Sho) who stole the show, setting a TML Record for **strikeouts**, with **380 Ks**. **Colonial's Sammy Sosa** trailed **McGwire** all season in the HR chase and settled for second best with 67 HRs. **Colonial's Kevin Appier** tossed a late-season **no-hitter** against **Albany**

Ruth Division

The Walla Walla Wombats jumped out to a 29-5 start (16-1 at home) and never looked back, winning from gate-to-wire. Southern Cal Slyme moved into 2nd place right away and a 24-10 June just about locked up their playoff berth. When the dust settled, Walla Walla ended up 8 games ahead of Southern Cal, who were 15 games ahead of Philadelphia in 3rd place. Philadelphia and Pensacola battled for the 3rd and 4th spots in the division, as Latham and Worcester sunk to the basement. Walla Walla put up a balanced offensive attack that sported 10 batters with 11 or more HRs and 10 batters with 21 or more doubles. Rickey Henderson is the only TML player to play in all 21 seasons and he has been with the Walla Walla franchise for his entire career! Henderson leads many TML career categories, including 1715 RCs, 1968 Rs, 1939 BBs, 1342 SBs and 290 CSs. In pitching, the Wombats were led by Shane Reynolds(20-7), Kevin Brown(19-11) and Tom Glavine(16-8). Southern Cal enjoyed a great year from Mike Piazza, who won the batting title with .353 and remains the all time TML career leader in batting at .337. The Slyme pitching staff boasted Omar Daal(20-6), Kent Bottenfield(18-9) and Juan Guzman(18-11). Late-season acquisition Jeff Shaw steadied a very shaky bullpen. Philadelphia's Roger Clemens extended his TML career leading stats to 239 Ws, 3793 IPs, 3435 Ks, 491 GS and 170 CGs. Clemens has been with Philly his entire career (16 years).

Gatto Division

For most of the season, the Mansion Hill Mudslingers, Ghostwood Pine Weasels, Chevy Chase Fighting Rougets and the Mordor Marauders were in a dogfight. When the dust settled, Mansion Hill and Ghostwood were in a flat-footed tie. Chevy Chase ended up just 2 games back, but a 15-27 slide by Mordor over the final two months sealed their fate. Tasmania and Beverly settled into a tie for last, 18 games off the pace. Mansion Hill's strength was their pitching ranked 3rd in the TML, which was supported by a relentless offense and a "different star every day". Bartolo Colon(17-12) and Brad Radke (16-12) led the starters and Bob Howry saved 40 games. On the other hand, Ghostwood's pitching was shaky at best, but their offense was as strong as ever, led by Ken Griffey Jr. and Juan Gonzalez. Ghostwood led the TML with 252 HRs. Mordor had five different players with 100 or more RCs and Rs, and four had 100 or more RBIs. Chevy Chase's Orlando Hernandez(19-10) just missed winning 20. Carlos Lee went 7-for-7 in a 26-2 win over Rocky Mountain, setting a TML Record.

Gehrig Division

The Rockford Radar took a 5-game lead into the Summer Stretch, played .600 ball in the Summer Stretch, to find themselves 1 game out of first place at the end of the summer! Toxic Waste overtook the Radar by playing incredible .800 ball (24-6) in the Stretch! The Toxins put up a 30-12 finish to the season, as Rockford faded to 12 games out, but still took 2nd place by over a dozen games. The Toxins had started in 5th place, at 15-19. Cheticamp, Oklahoma and St. Cloud settled into mid-pack, while Rocky Mountain sifted to the basement. Toxin Mark McGwire was voted "Player of the Year" for the 2nd straight year, as he put up more super-human numbers. He led the TML with 72 HRs, 163 RBIs and 176 RCs and a .710 SLG. McGwire also became the TML career HR leader, now with 514 HRs! Teammate Greg Maddux went 20-8, extending his own TML record to 8 consecutive 20-win seasons! The Toxins also sported Mike Hampton(21-7) and John Smoltz(19-7) and "Fireman of the Year" Armando Benitez (0.78, .148 OPA, 1 HR allowed), who set TML records for saves (57) and relief points (59). Toxic Waste set a TML Record with 61 SVs. Rockford had three players top 130 RCs. Jose Rosado(16-6) and Carl Mays (14-6) were the pitching standouts, while volatile John Rucker managed to save 35 games. Mays hurled a no-hitter against Oklahoma. Cheticamp's pitching went south, giving up a TML Record 278 HRs ... a record that had stood for only one year! St. Cloud had four players top 140 RCs ... Brian Giles, Carlos Delgado, Derek Jeter and Vladimir Guerrero. Each drove in over 130 runs and a 5th player, Luis Castillo that scored 100 or more runs.

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 43 **Occupation:** Financial Analyst

The Season Story

After a 3 year playoff run, lack of depth in starting pitching kept this year's edition of the Avalanche out of the playoffs. Pedro Martinez was spectacular, leading the league in ERA, breaking the TML strikeout record with 380 whiffs and garnering seven shutouts. Dave Burba was decent in the number two spot before being traded to the Toxins, but the rest of the rotation was speculative. The bullpen of Shaw, Guardado and Williamson did fine, but it too lacked depth. The offense was again led by Larry Walker, who was putting up MVP-like numbers before succumbing to injuries. Olerud scored 106 runs, but the rest of the offense was pedestrian due in large part to injuries to Caminiti and Edmonds. 85 wins was probably an over-achievement for this team, especially considering the in-season fire sales of Shaw and Burba. Next year looks more promising from an offensive standpoint as Edmonds and Lawton look to bounce back from injury plagued years. The pitching while again thin, still has Pedro so a return to the playoffs is not out of the question.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 31 **Occupation:** Graduate Student (*but not for long*)

The Season Story

Another difficult season as the Hillbillies suffered through another losing season. The season was marked by disappointing performances from key players (Jason Giambi) and some unexpected great performances (Todd Greene). The pitching was good in spots and horrendous in others. The pieces are falling into place and the Hillbillies are expected to make a run for the first division next season. If every thing falls into place, perhaps there can even be talk about the playoffs.

CHETICAMP Micmacs

Manager: Eric Rogers (Barbara)

Age: 42 **Occupation:** Meteorologist

The Season Story

Year one of rebuilding saw an expected position in the lottery draft thwarted a better than expected offense, which kept the Micmacs at a respectable .500. Karros (42 HR, 131 RBI) was the team MVP and offensive star, aided by the usual gang of aging suspects like Bichette and Lankford. Visiting hitters feasted on Micmac pitching, which gave up 278 HR. The four main starters battled all season to see who would win the HR allowed crown, won by Eric Milton (52) by one dinger over Pedro Astacio. Pluses for next year : Kile's comeback, the return of the Frank Thomas I drafted, emergence of Eric Milton and Jacque Jones. Minuses : no bullpen, no catching, no third baseman. Prediction : 73-87.

CHEVY CHASE Fighting Rougets

Manager: Craig Tyle (Laura Westly)

Age: 40 Occupation: Lawyer

The Season Story

In their inaugural season, the Fighting Rougets had an up-and-down year. We began slowly by getting shellacked by Ghostwood 6 out of 7, but after that climbed towards respectability and eventually got back into the race, ultimately falling short. Our stars were Roberto Alomar (1.006 OPS and solid defense at second) and Bernie Williams (.945 OPS). Each also played almost every game, and Mark Grace did play every game. El Duque led our staff, with 19 wins. Other key contributors were rookie Carlos Lee who went 7 for 7 in one game (a new TML record), Trot Nixon and Jason Kendall, who unfortunately missed most of the second half. Late in the year we traded Burnitz and Urbina for future picks and we hope to be a stronger team next year.

Rensselaer Strikers

The Season Story

The Rockies' front office caved in and their manger was dismissed. As a result of his leaderless situation, the Rockies fell to 5th place in the Robinson, 20 games under .500. An 18-31 record in 1-run games summed up the season. The team did sport a 1-2 punch with Sammy Sosa (.288, 67 HRs, 159 RBIs) and Matt Williams (.301, 37 HRs, 128 RBIs). Also sporting power bats were Miguel Tejada (25 HRs), Tony Clark (22) and Tim Salmon (21). Newcomer Johnny Damon (.290, 32 SBs) had a fine year. The pitching was horrendous! The top "winners" were Mark Portugal (11-10) and Kevin Appier (10-19) ... but, both had ERAs around 6.00. The only "bright" spot in the pitching dept. was Mariano Rivera (3.38, 34 SVs, 37 RPs). This team is searching for a new home and new manager.

CRIMEA River

Manager: Mike Short (Monica)

TML Champion

Age: 45 Occupation: Computer Web Designer

The Season Story

The Crimea River, propelled by the league's best pitching staff, captured TML best-record, posting 109 wins, second-best in franchise history. The River didn't overwhelm anyone, but lost only one season series, to the Atmospheric Champion Mansion Hill Mudslingers. The pitching staff gave up nearly 300 hits and 100 runs fewer than their closest competitors, while ranking in the top four in fewest walks and fewest home runs allowed. Mike Mussina and Kevin Millwood tossed no-hitters, while Randy Johnson won 23 games, and Millwood 22. On offense, Nomar Garciaparra hit .347 and drive in 121 runs, while Biggio score 108. The offense, with no clear stars, was the third most prolific in franchise history. Crimea played 10 1-run games with Albany, winning nine of them (32-14 league-wide in one-run games).

GHOSTWOOD Pine Weasels

Manager: Kevin Tyle

Age: 36 **Occupation:** System/Network Admin./Meteorologist

The Season Story

Ghostwood overcame a mid-season slump to take the Gatto Division title. We quickly dispatched Rockford in Round 1 of the playoffs only to once again fall just short of making the World Series, as the team folded its tent versus Mansion Hill in the next round. Inconsistency was the team's biggest problem, as we either hit and pitched very well or just awfully. The "G-Men" (Griffey and Gonzalez) once again led the team offensively, "As Griffey goes, so goes Ghostwood" was an apt phrase as Ken had some very cold series. Rookie Kris Benson and the venerable Jamie Moyer anchored the rotation, although the bullpen was a weak spot.

LATHAM Lampreys

Manager: ??

Age: ? Occupation: ?

2001 Team Name Change

East Greenbush Wildcats

The Season Story

The franchise moved to Latham only to have their manager jump ship early in the campaign. The players reacted badly to this situation, playing over 100 points better on the road (.450) than at home ... finishing 5th in the Ruth Division. The Lampreys held their own in 1-run games (21-26), but that was the only bright spot. Steve Finley (.288, 32 HRs, 97 RBIs) was the team MVP. Dean Palmer (28 HRs, 95 RBIs) and Lee Stevens (21 HRs) provided offensive back-up. Rick Helling (10-14, 4.73) was the most dependable starter, though James Baldwin (12-18) picked up more wins. Pat Hentgen (9-21) was saddled with a 20-loss season. One in-season move saw relief ace, Billy Wagner, traded to Crimea for Mike Jackson this season, and Trevor Hoffman for next season. The Lampreys are seeking a new home and manager.

MANSION HILL Mudslingers

Manager: Mike Cempa

Age: 36 Occupation: Meteorologist

The Season Story

During the regular season, Mansion Hill pretty much met pre-season expectations...we finished above .500(not by too much), and ended up in the playoffs. It was in the post season that our expectations were exceeded...mostly on the performance of our pitching, but some timely hitting from some of the role players helped as well. After our first World Series appearance expectations will be high next year.

MORDOR Marauders

Manager: Phil Schumacher (Cindy)

Age: 34 Occupation: Meteorologist

The Season Story

Off-season trades and fortuitous draft picks led to the most explosive offense in franchise history. The team, led by Sean Casey (.332,26 HRs 129 RBIs), Todd Zeile (.309,31,125) and Luis Gonzalez (.313,25,118), hit a franchise record 206 HRs and had a team BA of .295. Raul Mondesi led the team with 38 HRs. However, a down year of the pitching staff let all the offense go to waste with several games resulting in scores more reminiscent of football than baseball. Opponents feasted off of Mordor pitching, hitting .278 with 188 HRs. Russ Ortiz and Livan Hernandez were being checked for whiplash after giving up 27 and 25 HR, respectively. Andy Pettitte once again led the team in wins with 16. The bright spot on the staff was Bob Wickman who had another solid year with 32 saves. Unfortunately the other relievers were like gasoline with 12 blown saves and only 6 saves. Needless to say, relief pitching will be high on the list for Mordor management in the current off-season.

The Season Story

Offensively, this was the best team I had ever fielded in the TML. It featured a great combination of power and speed. Defensively the team was adequate. The pitching was another story, however. Our goal was to win 90 to 95 games. We got win number 90 against a very tough Crimea team. Sad to say we lost four straight in the post-season to a very tough Walla Walla team. Best of luck to everyone in the upcoming season! Its been a hell of a ride!

OKLAHOMA Supercells

Manager: Mark Plate (Michelle)

Age: 35 Occupation: Meteorologist

The Season Story

It was a mediocre season for the Supercells as they staggered home with a 73-87 record. The pitching was down from recent years with Curt Schilling being the biggest disappointment at 6-15 with a 4.55 ERA. John Wetteland had a brilliant year as the closer with 32 saves and allowing only a .186 opponents batting average. Tino Martinez was the team MVP on offense with 38 homers, 113 RBI's, and a .318 batting average. Magglio Ordonez and Jermaine Dye also had solid years.

PENSACOLA Stingray

Manager: Jim Pertierra (Janet)

Age: 51 Occupation: Team Leader-Verizon Communications

The Season Story

Fun season. Wasn't going anywhere quickly (and was slow to do it at that) but it was enjoyable. Not really much to say about this team as it was non-descript. Very happy to make the trade with Mike for Smoltz and am more than happy to wait a year for Smoltzy, who is a personal favorite. American is a lot of fun and just different enough to keep it new! (Great job Mike and Mike and Mike!!!)

The Season Story

If ever there was an example of how pitching wins games, this year as opposed to last year, is it! Same staff but much poorer results in all categories. The offense had improved itself and was scoring more runs then the title year but not enough to keep up with the starting pitching drop off. The lack of quality pitching made a tremendous difference in the two years.

The Season Story

Well considering we only expected to go .500 this year, making the playoffs was a nice way to finish. The strategy of going all out until there was nothing left paid off. We had good years from most of our players and finally got a save man (albeit a *psycho*). We were finally able to finish games without to much of a worry about blowing it. Hopefully the future looks bright.

ROCKY MOUNTAIN Chinooks

The Season Story

It's official! RM has completed the division slam! Outdueling St. Cloud for the basement, the Chinooks have now finished the season in each divisional rank! The frightening part was the division best 23-20 record in one run games! Bad could easily have been worse, but likewise could have been better if not for the pathetic 27-53 home record. Recently appointed team VP Al Gore was at odds to explain the reason. In a late development, the Supreme Court has ruled that the RM anemic offense (league worst .251/.389) was unconstitutional. Tragic news from the winter meetings... after a second stellar season as closer, Team MVP Tom Gordon tore all ligaments in his pitching arm while signing his 10 year, \$300 million dollar contract extension.

'SKAYUNA Squires

Manager: Hank Pedicone (Eileen)

Age: 50 Occupation: Attorney

The Season Story

Another season of frustration for the Squires, who once again had more first-line pitchers on the DL than in the game. Once more, we sing the old Brooklyn refrain: "Wait until next year." It's just getting a bit tired.

ST. CLOUD Power Loons

Manager: Bob Weisman

Age: 40 Occupation: Meteorology Professor

The Season Story

The Power Loons did something they've never done before: hit more than 200 HR's and steal more than 200 bases. This is, by my checking, only the second franchise to manage this feat (Sherlock did it in 1987, 1988, and 1989). Of course, St. Cloud was the first team to ever do this AND still finish with a sub-.500 record, thanks to a waiver wire pitching staff which produced the second worst pitching in the league. Carlos Delgado gets the real-life Albert Belle Salary Drive award for hitting almost half of his home runs in the last 3 series, long after SP was out of the playoffs, but soon enough to screw up my draft pick!

SOUTHERN CALIFORNIA Slyme

Manager: Bob Sylvester (Donna Jo)

Age: 35 **Occupation:** USAF Officer/Student

The Season Story

It was truly an exciting system for the Slyme as their offense batted a robust 293 and their pitching actually placed them sixth in the TML with a 4.52 ERA. Mike Piazza led the club with a 353 AVG, 41 HR and 137 RBI. Joe Randa (101) and Brian Jordan (106) also topped 100 RBI. Mike Cameron finally started to realize some of his potential with 40 SB and 12 Triples. The bullpen was a Slyme strength led by Venafro, Rincon, Shaw, Johnstone and Wall. Pitching was led by 20 game winner Omar Daal and two 18 game winners (Bottenfield and Guzman). After much discussion.....it was decided that Mike Piazza was the team MVP....barely over Omar Daal. Will the Slyme continue to move up in their quest for a TML Championship? Only time will tell, but the future looks bright.

The Season Story

These guys are going to have to be dumped. I like some of these guys, but there are too many guys I don't. My Dad and I played the games to get them done this year. I am now going to try to make them mine. This is the 4th team I have taken over from Greg in 3 years. This is not the best one. I had fun and am looking forward to next year.

TASMANIA Devils

Manager: Dave Schumacher (Suzette)

2001 Team Name Change

Age: 28 Occupation: Comp. Consultant

Soul City Kings

The Season Story

It was back to the Gatto basement (tied for 5th). Their was plenty of offense, but there was no dependable pitching to be found. Bobby Abreu (.295, 14 HRs, 90 RBIs), fan-favorite, Rusty Greer (.281, 13 HRs, 92 RBIs) and John Jaha (33 HRs, 96 RBIs) formed the heart of the order. Rich Renteria (.303, 53 2Bs, 43 SBs, with only 6 CSs) sparked the offense many times. David Segui (.317, 69 Rs, 69 RBIs) was a consistent contributor. Billy Koch (3.40, 35 SVs) was OK out of the pen, but Todd Ritchie (4.41, 11-12) was the only starter who did not "blow up" on nearly every outing. Jose Lima (16 Ls), David Mlicki (16) and Juan Acevedo (17) all piled up the losses. Manager Dave Schumacher has been with the Tasmania franchise since its inception in 1993, but has called it a career. The team is looking for a new home and new manager for 2001.

TOXIC WASTE River Rats

Manager: Mike Landin (Teri)

Age: 47 Occupation: Meteorologist

The Season Story

The Toxins trailed Rockford into the Summer Stretch, but then put on a 54-18 spurt to take the Gehrig Division by a solid 12 games. Mark McGwire (.291, .710, .432, 72 HRs, 163 RBIs, 139 BBs) did not put up the awesome numbers of his 1999 season, but will still be the "favorite" in the Player of the Year balloting, with another "super-human" season! Jay Bell (.301, 42, 134) was a welcomed newcomer. Other offensive bats were provided by Henry Rodriguez (.315, 28, 92), Carl Everett (.304, 22, 76) and Vinny Castilla (30 HR, 98 RBIs). The pitching was not shabby either, led by co-Aces, Mike Hampton (21-7, 2.78) and Greg Maddux (3.80, 20-8). For Maddux, it marked his 8th consecutive 20-win season! John Smoltz logged 19 wins. Bullpen Ace, Armando Benitez, became TML's all-time single-season "Fireman of the Year", setting records for saves (57) and relief points (59). He was tough to score on (0.78 ERA) and only allowed one HR ... that coming in October. The in-season acquisitions of Jeromy Burnitz, Albert Belle and Dave Burba only made it tougher to take in getting eliminated in the first round of the playoffs ... on Benitez' 2nd HR allowed ... to Mansion Hill's Gerald Williams in the 10th inning of Game 7! The Toxins have reached the "end of the road" for now ... time to relocate and rebuild.

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 33 **Occupation:** Financial Advisor

The Season Story

Well, Walla Walla returned to the glory of old winning the division handily and breezing through the first round of the playoffs, only to fall to the all-pitch, no hit, Crimea club (further proof pitching beats good, even very good, hitting). Mo Vaughn (.298/45/128) and Ivan Rodriguez (.314/31/104) led the offense, while Kevin Brown (19-11, 3.45), Tom Glavine (16-8, 5.23) and Shane Reynolds (20-7, 3.75) paced the pitching staff. All-in-all a good year, and a hope for the future. Rookie reliever Jeff Zimmerman (11-5, 4 saves, 1.97) had a fine year out of the bullpen.

WORCESTER Terminators

Manager: Roy Gorham

Age: 24 Occupation: Engineer/Part-time Grad Student

The Season Story

Another step forward for the Terminators. Brady Anderson had another marvelous season, hitting .338 with 141 runs, 52 SB, and a .441 OBP. Todd Helton and Eric Chavez also hit very well, as the Terminators finished 16th in runs scored (up from 24th!). However, the pitching was horrible! Every pitcher was significantly worse than real life. Only Freddy Garcia (4.77, 12-14) was even close. Closer Ricky Bottalico was 0-7 with a 10.25 ERA! On an interesting note, we were able to turn 2 triple plays this year.

Stat Key

Below you will find some explanations on a few stat categories:

RC: runs created ($RC = [A \text{ times } B] \text{ divided by } C$), where,

$$A = H + W + HBP - CS - GIDP$$

$$B = TB + .26 \times (TBB - IBB + HBP) + .52 \times (SH + SF + SB)$$

$$C = AB + TBB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS: quality starts; the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or less.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

🏆 - TML Record

🥈 - Tied TML Record

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a dot (•) indicates that the player or pitcher tied for the lead in his Association in that stat category.
