The Major League

TML 2003

By Mike Landin

Our historic 25th season, the third with **Diamond Mind**, was another smooth sailing season. The season saw **Greg Maddux** fall one win short of becoming the first pitcher in TML history to reach 300 career victories! **Maddux** and **Roger Clemens** lead most career pitching lists, but **Pedro Martinez** took over the career lead in ERA (2.78) and WPCT (.698). **Barry Bonds** upped his career homer total to 649 HRs and leads in career Runs Created with 2160. **Mike Landin** (2127) passed the 2100 managerial career wins mark, but **Mike Short** (.615) and his **Crimea** franchise, despite an "off-year," are still the most successful.

In keeping with tradition, here are the members with at least 10 years of membership in the TML: **Mike Landin**(25), **Mark Hetterich**(22), **Joe Steinmetz**(22), **Mike/Tom Kopp**(22), **Eric Rogers**(20), **Mike Short**(19), **Bryan Sakolsky**(19), **Bill Graham**(17), **Hank Pedicone**(15), **Mark Plate**(14), **Pat Barry**(13), **Jeff Chapman**(12), **Kevin Tyle**(11) and **Mike (Mr.) Cempa** (10). The TML says goodbye to good friends **Bob Weisman**(21), who resigned prior to the season, and to the **Kopps** and **Martin McGrath**, who resigned at season's end. The TML welcomed **Ken Fusci** who took over **St. Cloud** (now **Traffic**) this past season and extends a welcome to **Kyle Weissner**, **Alan Srock** and **Eric Kelsey** for TML 2004.

The Year In Review

TML03 saw the **Beverly Hillbillies** and Manager **Mike Dickinson** facing the **Santa Rosa Sounds** and Manager **Bill Jelks** in the **TML World Series**. For both managers, it was their first ever trip to the **TML World Series**! In a thrilling 7-game series, **Mike Dickinson's Hillbillies** captured their first ever **TML Championship**. In the first round of the playoffs, **Beverly** took **Rockford** in 6 games, pounding the Radar pitching (7.71 ERA) and winning the final two games 11-1 and 12-4. **Rensselaer's** pitching (1.80 ERA) completely shut down **Traffic**, winning in a quick 5 games. **Beverly** advanced to the World Series by outlasting division-rival **Rensselaer** in a series that saw **Rensselaer** fight back from a 3 games to none deficit, only to lose Game 7, 7-1. (**Beverly** had a *flashback* to 2002, when they did blow a 3-0 lead to **St. Cloud**, but not this time!) **Santa Rosa** defeated **Albany** in 6 games, winning the final game with 3 in the home 9th. This was **Albany's** 8th straight post-season appearance, but they had been eliminated in the 1st round each of the past four seasons, by three different teams! The *upset* of this post-season was **Hialeah** edging past the TML's best record **'Skayuna** in 7 games! **Hialeah** out-hit and out-pitched **'Skayuna**, who was 2nd in the league in both categories in the regular season. **Santa Rosa** earned their ticket to the World Series by defeating division-rival **Hialeah** in 6 games, in what a close series statistically. Congrats to all post-season managers, and especially to both **Mike** and **Bill** for an exciting season!

Gatto Division

The **Beverly Hillbillies** won the division gate-to-wire, but really opened up ground by posting a TML-best 25-9 Summer Stretch. The **Hillbillies** won by a commanding 22 games! They had the TML's best pitching (3.35 ERA), led by All Star Starter **Joel Pineiro**(21-4, 2.71). Five starters posted 10+ wins, thanks to "Ace" reliever **Octavio Dotel**(35 SV, 39 RP, 2.06) and late-season acquisition **Damaso Marte**(1.20). Offensively, ten different players had 10+ HRs, led by "juiced" **Jason Giambi's** 35 HRs. **Beverly** did set a **TML Record 1305 Ks** by their batters! **Rensselaer**, mired in 3rd/4th place for most of the season, put up a 25-17 record in head-to-head divisional play to capture the **Gatto Wild Card** by an eventual 7 games. **Rensselaer** had a steady offense, led by **Miguel Tejada**(160 G, .291, 26 HR, 104 RC), but their strength was the bullpen. **Mariano Rivera**, **Tim Lincecum** and **Dan Plesac** combined for 34 SVs, 48 RP and a 1.93 ERA. For 3rd place **Glenmont**, **Scott Rolen**(43 2B, 29 HR) was the batting star. **Kerry Wood** led the TML in Ks, with 265 and **Barry Zito**(19-8) nearly won 20. **Mansion Hill** settled into 4th place, but did enjoy another solid season from **Rafael Palmiero**(41 HR, 110 RC). **Jeff Kent**(46 2B, 110 RC) also had a fine season. **Roy Halladay** (18-11, 16 CG, 5 Sho, 3.17) was their "Ace" starter. **Ghostwood** and **Schenectady** tied for last. **Ghostwood** sported "*Fireman of the Year*" **Eric Gagne**(43 SV, 47 RP, 1.12). **Trot Nixon**(28 HR, 104 RC) was the star for **Schenectady**.

Ruth Division

The **Santa Rosa Sounds** fought **Hialeah** and **Philadelphia** all season, but it was a 31-11 finish in the divisional play that secured 1st place. **Santa Rosa** hit .294 as a team, led by **Mark Loretta**(.335, 122 R, 114 RC), **Randy Winn**(.322, 48 2B, 111 RC) and **Eric Chavez**(.422, 25 HR, 103 RC). **Brandon Webb**(20-3, 2.62) was the pitching "Ace." **Matt Mantei**(32 SV, 2.08) led a strong bullpen. **Hialeah** simply out-played **Philly** down the stretch to take the **Ruth Wild Card**. **Hialeah** lived on their hitting, blasting 202 HR and scoring 927 Runs. **Edgar Renteria**(.336, 227 Hits, 53 2B, 130 RC), **Ichiro Suzuki**(.325, 226 Hits, 38 2B, 123 RC) and **Alfonso Soriano**(.292, 40 2B, 40 HR, 117 RC) were the big run-producers. **Livan Hernandez**(18-9, 3.59) was the pitching "Ace." **Philly** hit .285 as a team, socking 214 HR and scoring 937 Runs. **Garret Anderson**(.329, 51 2B, 32 HR, 148 RBI, 135 RC) led the TML in RBI. He was complimented by **Jorge Posada**(.324, 120 R, 100 RBI, 31 HR, 119 BB, 141 RC). The **Philly** "Ace" was **Esteban Loaiza**(20-5, 3.06). **Danny Way** finished in 4th, two games back of **Philly**. **Chipper Jones**(.318, 115 R, 106 RBI, 29 HR, 129 RC) and **Carlos Beltran**(.306, 114 R, 29 HR, 119 RC) were the "heart" of the offense, but it could not make up for the inconsistent starting pitching. **Tim Hudson**(17-10, 3.85) was a stand-out. After four straight divisional titles, the defending **TML Champs Walla Walla** fell to 5th place, due mostly to a 5+ ERA. **Sammy Sosa** and **Andruw Jones** hit 33 HR and 30 HR, respectively. **Phoenix** lost 104 games for the 2nd straight season, as they continue to re-build. An ERA near 6 was a major problem. **Ruben Quevedo**(4-21, 9.33) set a TML Record for HR allowed, with 74.

Robinson Division

The most balanced team in the TML was the **'Skayuna Squires**, 2nd in batting (.293, 987 R, 284 HR) and 2nd in pitching (3.74, 60 SV). They took over the division in May and from July-on played .764 (55-17) ball! The **Squires** had four players with 40+ HR and a 5th with 32 HR. They had 5 players with 100+ RC! The best of them all was "**Player of the Year**" **Albert Pujols**(.359, 144 R, 145 RBI, 45 2B, 46 HR, 177 RC). Fellow contributors were **Javy Lopez**(.345, 45 HR, 124 RC), **Dmitri Young**(.324, 123 R, 120 RBI, 42 HR, 138 RC), **Edgar Martinez**(.289, 27 HR, 100 RC), **Derek Lee**(.285, 131 R, 118 RBI, 43 HR, 131 RC) and **Reggie Sanders**(32 HR). **Jason Schmidt**(18-5, 2.47) was their "Ace." **Ugueth Urbina**(28 SV, 1.58) and **Billy Wagner**(24 SV, 2.25) were a terrific duo in the closer role. **Albany**, despite being 26 games behind, earned the **Robinson Wild Card**, thanks to a 24-18 finish. **Jim Edmonds**(.289, 36 2B, 36 HR, 108 RC) and **Bobby Abreu**(.292, 106 RC) led the scoring attack, but their big star was **Pedro Martinez**(21-2, 1.96), who won his 4th "**Pitcher of the Year**" award, tying him with **Greg Maddux**. **Burleigh** was in good position to make the playoffs heading into divisional play, but then posted a 19-23 finish, causing them to miss by only 3 games. The offense was well-balance, without any one star. Their "secret" was to bring set-up man **Keith Foulke** in for the 8th, followed by **John Smoltz**(36 SV, 1.60) in the 9th. **Mudville** was an improved team, which was not apparent by a 4th place finish, 37 games out. They started out hot (20-14) and finished strong (22-20). **Crimea** had a franchise record worst 5th place finish and posted only their 3rd losing season ever! **Jim Thome**(.295, 103 R, 119 RBI, 43 HR, 120 BB, 145 RC) was a one-man wrecking crew. **Cortland** sunk into last place, with 116 losses. **Todd Helton**(.336, 25 HR, 134 RC) did his best and **Ben Sheets**(5-17, 3.92) was a hard-luck pitcher.

Gehrig Division

The **Gehrig** proved to be the weakest, but most competitive division in the TML! **Traffic** outlasted the others, winning by 5 games. **Carlos Delgado**(.295, 42 2B, 39 HR, 142 RC) had the "big" bat. **Brian Giles**(25 HR, 104 RC) chipped in most of the time. **Matt Clement**(17-7, 3.53) was the "Ace" of the staff. **Rockford** "won" the **Gehrig Wild Card**, with **Rocky Mountain**, **Cheticamp** and **Oklahoma** each finishing 1 game behind the other. **Rockford** was led by the seemingly "limitless" **Barry Bonds**(.333, .737, .468, 120 RBI, 47 HR, 146 RC). To complete the "Terrible Trio" were **Manny Ramirez**(.334, 122 RBI, 39 HR, 140 RC) and **Alex Rodriguez**(.288, 125 RBI, 45 HR, 135 RC). **Sidney Ponson**(17-9, 3.51) surfaced as their "Ace". **Greg Maddux**(10-14, 4.05) had an "off-year", but moved up to 299 career victories! **Felix Rodriguez** may have been the most unstable "closer" in TML history, notching 21 SV, but also posting a 6.43 ERA and 12 BS. **Rocky Mountain** can blame their missing the playoffs on a dismal 9-21 Summer Stretch. **Gary Sheffield**(.328, 117 R, 106 RBI, 43 2B, 40 HR, 157 RC) had another terrific season and set a number of franchise records. **Ritchie Sexson**(36 HR, 117 RC) also had a nice year. **Juan Pierre** led the TML in SB with 80, but was also caught 38 times. **Rocky Mountain** led the TML in team SB, with a near record 237. **John Burkett**(15-11, 3.82) was their "Ace." **Cheticamp** finished strong (27-15), but fell just 2 games short of tying **Rockford**. **Bret Boone**(.307, 34 HR, 127 RC) and **Aubrey Huff**(.304, 24 HR, 106 RC) had fine seasons. **Odalys Perez**(15-9, 3.89) led their starters. **Oklahoma** played only .430 ball from July on, settling them to a .500 record. **Maggio Ordonez**(.317, 60 2B, 31 HR, 125 RC) was their standout at the plate. **Tim Wakefield**(16-4, 2.65) was their "Ace." **Toxic Waste** lost 114 games, giving them the most losses (360) of any TML team in three consecutive seasons! TML's youngest team (25.7) may have turned the corner.

The Season Story

Albany's team was the boys of summer, playing well in the warm weather, struggling in the cool April, September and October. Pedro Martinez had his best season 21-2, 1.96 ERA. He got nice support from Bartolo Colon 16-9 3.03 ERA and run-deprived Hideo Nomo 12-12 3.28 ERA. The bullpen generally was decent anchored by general closer Scott Williamson. The offense was powerful cranking out 205 homer. Jim Edmonds slugged at a .622 pace and had 36 homers. Jose Valentin added 32 more. Bobby Abreau, Moises Alou and Brad Wilkerson also enjoyed fine years. Next year the pitching drops off quite a bit, but the offense might be able to slug its way to the playoffs.

The Season Story

What a season! I did not have high hopes for this team at the start but strong pitching and adequate offense (if you ignore the strikeouts!) propelled the team through the regular season and playoffs. The pitching was led by Joel Pineiro (21 wins) and an outstanding bullpen. The offense was paced by Ramon Hernandez and Bill Mueller. Ten players had 10 or more homeruns (5 players had 100 or more strikeouts but that is another story). The BV franchise looks forward to a busy offseason as we look to repeat.

BURLEIGH Blue Jays

Manager: Joe Steinmetz (Margaret)

Age: 65 Occupation: Retired

The Season Story

Burleigh surprised for about two thirds of the way through the season. At that point the lack of offense, and mostly the lack of power caught up with them. Pitching was the name of the game for the Jays with decent starting pitching and excellent relief pitching. If we got to the 8th inning ahead it was pretty much locked up. With Keith Foulke in the 8th and John Smoltz in the 9th. The team faded when those two started to tire late in the year and without the offense we fell out of contention for a playoff berth.

CHETICAMP Micmacs

Manager: Eric Rogers (Barbara)

Age: 46 Occupation: Meteorologist

The Season Story

A surprisingly fun 81-79 season for a team I thought was a borderline draft lottery entry. After languishing near .400 for more than half the season, the Micmacs woke up in the Summer Stretch, playing .600 ball for the rest of the year and nearly sneaking into the playoffs in the weak Gehrig Division. Mediocre starting pitching was overcome by a deep bullpen, led by mid-season call-up Rafael Soriano (17 SV in 24 GP, 2.05 ERA, 46 K's in 30.2 IP). The offense held its own, led by Boone (34 HR) and Huff (59 2B) and several part-time players who overachieved.

Valparaiso Drench

The Season Story

It was another frustrating year ending with a back surgery that went wrong and has had to make me curtail many activities while I try to walk right again. It was a fun stay in the American league, best wishes to all. The team will be under new management in 2005.

CRIMEA River

Manager: Mike Short (Monica)

Age: 49 Occupation: Webmaster

The Season Story

A .500 team played .400 baseball, as Crimea recorded its worst season in franchise history. The rebuilding began this year, with the trade of Bill Mueller and most of the bullpen to pick up Adrian Beltre and Jose Reyes. Jim Thome carried the team all year, fighting for the home run title until teams stopped pitching to him (he led the league in intentional walks). Mike Mussina and Todd Van Poppel (?) tried valiently to pitch. Randy Johnson' four-hit shutout in game 160 gave him his first win and lowered his ERA to 7.87. Wait'll next year.

DANNY WAY Diamonds

Manager: Mark Hetterich (Connie)

Age: 57 Occupation: Instructional Designer

The Season Story

The Diamonds finished in 4th place at 87-71 in the tough Ruth Division. Real Life Stats in "(##)". The team finished 12th in batting .265 (.266) and 6th in pitching at 4.03 (3.58). The season was a disappointment as the GM considered the team to be playoff caliber. Starting pitching was terrible compared to their real-life stats; Hudson 3.85 (2.70), Oswalt 5.01 (2.97), Padilla 4.58 (3.62), Redman 4.56 (3.59), and Seo 4.43 (3.82). Looks like this season's issue of the game favors hitters over pitchers. Chipper Jones and Carlos Beltran led the offense, hitting .308 and .306 respectfully. Both scored over 100 runs and hit 29 HRs. Jeff Bagwell hit 39 taters and drove in 115 runs. The team should be competitive again next year.

GHOSTWOOD Pine Weasels

Manager: Kevin Tyle

Age: 40 **Occupation:** Systems Administrator/Meteorologist

The Season Story

Ghostwood improved its bottom line by 17 games over 2003, and even flirted with the .500 mark and the playoff chase until the summer stretch. The offense had more pop, with 7 players in double digits in homeruns. Alex Cintron led the offense with a .317 BA and also added 12 HR's in his first full season at short. However, as in past years, many players significantly underperformed expectations, most notably Jason Varitek, who fought all season to get his average above .200. Starting pitching continued to be a problem, with Rob Bell "leading" the staff with a 4.70 ERA! However, the bullpen was strong, and despite Eric Gagne's two blown saves, the Quebecois closer had a stellar campaign.

GLENMONT Haymakers

Manager: Dave Vollaro (Sandra)

Age: 41 Occupation: Research Programmer

The Season Story

Haymaker fans had visions of a title following a 100-60 record in '03. However, after a satisfactory spring, the team suffered a summer swoon which turned to a fall fade and finished at 79-81. A lackluster offense led by Scott Rolen's 29HR and Eric Byrnes league leading 13 triples did little to offset average pitching. "We've got to put the ball in play more" lamented Mgr Vollaro referring to his team being 2nd in the league in strikeouts but 3rd in walks. Kerry Wood led the loop in K's but 3 GL starters finished near the top in walks allowed. Only a league low 64 errors allowed Vollaro to avoid getting sacked by management which vowed "no job is safe" next year! Idle threats?

HIALEAH Thoroughbreds

Manager: Doug Graham (Donna)

Age: 43 Occupation: Web Designer

The Season Story

The Thoroughbreds put together their best season to date behind big bats and solid pitching. Led by Alfonso Soriano, Ichiro Suzuki, and Hank Blalock, the T-Breds outscored opponents by a healthy clip. The team is hoping to make it a little farther in the playoffs next year.

MANSION HILL Mudslingers

Manager: Mike Cempa

Age: 40 Occupation: Meteorologist

The Season Story

There were high hopes for the season after some major off-season moves, but things never really came together for this team. The bullpen was woeful, while some key players just didn't perform. Some blame the manager, who vanished during the midpoint of the season, only to turn up 3 weeks later in a Tijuana jail (details of this incident are sketchy and well guarded by the organization). Individual outstanding performances of note came from Geoff Jenkins, Jeff Kent, and Rafael Palmiero (who always seems to contribute), and from the top 3 starters, Halladay, Vazquez, and Radke.

MUDVILLE Nine

Manager: Bill Graham (Cathy)

Age: 54 Occupation: Attorney

The Season Story

This was a much improved team over last year. Mudville got off to a tremendous start, dallying up around the top of the division. It showed that it was a team that could play with the best of them. Unfortunately, Mudville could only field its best team for a limited number of games. Still, in October, the Nine had a shot at a wildcard berth; A long shot, but a shot nonetheless. Next year, the team may take a step back but long term, it is moving in the right direction.

OKLAHOMA Supercells

Manager: Mark Plate (Michelle)

Age: 39 Occupation: Meteorologist

The Season Story

A once promising season turned to disappointment as the Supercells faded badly down the stretch to finish right at .500. Magglio Ordonez was the offensive MVP, hitting .317 with 31 homers and 103 RBI's. Mike Lowell and David Ortiz joined Ordonez in the 30 homer club, while Mark Grudzielanek also hit above .300. Overall, the pitching staff was a disappointment, although Tim Wakefield had a superb season, going 16-4 with a 2.65 ERA. The lack of a decent bullpen cost Wakefield a few more wins. Jarrod Washburn was a disappointment, going 12-17 with a 4.91 ERA and serving up 35 home run balls. However, the biggest disappointment was newly acquired Al Leiter, who was just 8-16 with a 6.33 ERA. Troy Percival, who came over in the Leiter trade, also disappointed in the closer role, with 7 blown saves in 27 chances and a 5.82 ERA.

The Season Story

Last year's prediction 85-90 for this season was pretty much right in line. Clemens while aging is expected to have an excellent season in next year's Diamond Mind games. Rodrigo Lopez has proved himself to have more talent than expected and should do well next season. Pettitte has less games started but pitched well when he pitched. Ortiz will hold his own. Cook and Alvarez will help some. Relief pitching looks to be about the same next season. The RP's names have changed some, but the overall season should compete very close to last season. The outfield will hold sway with Anderson, Guillen, Burnitz as dominant hitters. Ross Gload should do well to augment the outfield. The infield is aging with Koskie and Klesko toughing out another year. Larkin has done well for his lame duck year and will help the Phillies for most of the season. Posada has held his own and is expected to continue. Young and Hairston will do fine at second. Overall the Phillies' Management are expecting a similar season against tough competition again finishing with approximately 90 wins. Good fortune or bad fortune will tell the tale!

PHOENIX Mystique

Manager: Dave Pittner (Francesca)

Age: 51 **Occupation:** General Manager

The Season Story

The Phoenix Mystique continue to rebuild. The pitching was not good, particularly the bullpen which was horrid! A 5.90 ERA will not win you many games. There is a foundation for a starting staff with Miller, Lawrence, Peavy, Lee and Brazelton and Edwin Jackson. The offense fizzled too as team Captain Marcus Giles had a disappointing year based on his potential. Jack Wilson looks for better offensive days ahead as he chipped in with a meager .255 avg, .292 OB and .352 slugging. Durazo tied with Cameron for the team lead in HR's with 17. Larry Bigbee showed promise with a .305 avg with 10 HR's in 236 at bats. Manager Pittner laments about the past, but looks forward to a future squad that will be competitive again in the tough TML American.

RENSSELAER Strikers

Manager: Joe Nocera

The Season Story

The Rensselaer Strikers had an up and down season but finished strong to claim a spot in the post-season. The pitching staff posted a TML 3rd best 3.88 ERA. John Thomson (17-11,3.27) and Kevin Millwood (14-9,3.60) provided solid starting, while Dan Plesac (1.47), Mariano Rivera (17 SV, 2.09) and Tim Spooneybarger (16 Sv, 2.11) provided outstanding relief. The batting was led by Miguel Tejada (.291,26,104) and posted a TML 5th best .284 AVG. Unlike last season's playoff collapse, Rensselaer made it to the Conference Final to face mighty Beverly. After falling behind 3-0, Rensselaer fought back to force a game 7, but alas unlike in real-life, Derek Lowe got hammered and mighty Beverly went on to claim the TML crown.

The Season Story

Well, as the story goes you need pitching to win. Something we did not have. Our Bullpen was awful at best, let me rephrase that it SUCKED!!!!!! Our offense was up to it's usual standards, it just seemed we had untimely hitting. As always Barry Bonds was the MVP for RO. Greg Maddux is one win away from 300. On a personal note, as all of you know this is my last report as Tom and I have resigned from the league. I would like to say that one W.S. win and a few playoff appearances would never had happened without my G.M. Tom Kopp. I need to give him some recognition as he put this team together. He also made my winning percentage better than his (hehehehe!). Again thanks for the memories and good luck to whomever takes over this team.

ROCKY MOUNTAIN Chinooks

Manager: Jeff Chapman (Sally)

Age: 38 **Occupation:** Meteorologist

The Season Story

Choose your poison...electrifying individual performance or crushing team failure. Thanks to a weak division, an underperforming offense, a superb bullpen, and a 9-21 summer swoon, we were in a pennant race until a 2-5 collapse to CH, to end a single game out. Good thing the team psychologist is on retainer. RM records were set by perennial MVP Sheffield (slg - .617) and Pierre (SB - 80). In fact, the team swiped a near-record 237 SB. Breaking news...while the Commish's office won't reveal the official source, incriminating documents discovered with Sheffield's personal trainer indicated Bonds was juicing in the final series of the season. However, nothing would be done with the Chinooks at home raking leaves or serving time for assault (all that taunting in an earlier 27-3 home loss). 10 games worse at home vs. road BETTER than last year? Skipper Chapman's new team policy for 2004...a 4 hour bus ride before every home game.

SANTA ROSA Sounds

Arkansas Travelers

The Season Story

The Sounds surprised even themselves by making it all the way to the World Series. We believed we finally had a competitive team and even the playoffs were a possibility. But, led by two rookie hurlers, Brandon Webb and Dontrelle Willis, Santa Rosa started hot and kept winning all season long. Mark Loretta, Randy Winn and Melvin Mora led an attack that lacked long-ball power but was relentless in the gaps. A very deep bullpen led by Matt Mantei, Brian Fuentes, Juan Rincon, Oscar Villarreal, Ron Mahay and Travis Harper kept us in almost every game. A very satisfying season indeed!

Age: 25 Occupation: Radio Technician

Nashua Voleurs

The Season Story

The move to Schenectady looks like it was just a one-season stop, as Manager DeJesus bailed just before the Summer Stretch. The team was loaded with talent, especially in the pitching department. However, this undisciplined squad never jelled as a team and ended up tied for the basement in the Gatto Division. Trot Nixon was the top run producer, blasting 28 HRs and notching 104 RCs. Jason Kendall and Nick Johnson both had fine seasons. Kyle Lohse (14-11, 3.62), Jose Contreras (6-6, 3.44) and Mark Mulder (9-10, 3.36) pitched well, but ended up on the short end more than they should have. Rod Beck (0.88, 14 SVs) and Armando Benitez (2.44, 21 SVs) were effective as a tandem closer corps. The team makes their 7th franchise move in 2005, this time to Nashua.

'SKAYUNA Squires

Manager: Hank Pedicone (Eileen)

Age: 54 **Occupation:** Attorney

The Season Story

This looked like the year when the years of patient (and not so patient) suffering would finally pay off. The Squires had a phenomenal offensive season, with four players hitting 42 or more homers including Albert Pujols (46), who lead the TML in BA (.358), runs (144), runs created (176.7), total bases (409) and extra base hits (92). With 284 team HRs, 'Skayuna could rarely be counted out of a game, and the Squires posted 111 regular season wins. Unfortunately, the bullpen failed to protect a 3-2 game advantage at home in the first round of the playoffs, sending the fans home disappointed again, looking for someone on whom to pin the responsibility for the "Curse." Once again, it's "wait until next year."

TOXIC WASTE River Rats

Manager: Mike Landin (Teri)

Age: 51 Occupation: Meteorologist

The Season Story

The Toxins came into the season with high hopes of possibly avoiding 100+ losses, but needed up with over 110 for the 3rd straight season and another basement finish. Management cut loose many of the older (30+) players and accelerated the youth movement. Juan Encarnacion and Rookie Mark Teixeira provided most of the power (26 HRs apiece), while Carl Crawford "sparked" the offense (.296, 56 SBs). Kevin Mench was awesome in a part-time role (.300, 42 Hits, 29 RBIs). Johan Santana and Joaquin Benoit were quite reliable out of the bullpen, but many times were pitching while behind. The top starter was Cory Lidle (8-13, 5.31). Darren Oliver (2-18) managed to avoid a 20-loss season. The team is very young and shows promise. They may surprise in 2005.

TRAFFIC Dodgers

Manager: Ken Fusci (Rozanne)

Age: 57 **Occupation:** Retired (NYSDOT)

The Season Story

A fun first year for this rookie manager, taking over the old Saint Cloud Power Loons franchise and converting it into the Traffic Dodgers, and managing to win the Gehrig Division before running into an absolute buzzsaw pitching performance by the Rensselaer Striker staff in the first round of the playoffs (1.80 Rensselaer staff ERA, .218 Traffic BA). The hitting was generally solid all regular season however, and the pitching, especially middle relief, came through better than expected. Looking forward to next year, with a healthier Guerrero and Jeter coming back, and all position spots already filled. Even the starting pitching should improve, as Brandon Duckworth won't have to start even one game for the Dodgers!

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 37 Occupation: Financial Advisor

The Season Story

Not much to say other than how quickly the mighty can fall. Coming off a TML Championship season, the age of the Wombats showed. Some strong individual performances highlighted a lottery pick position in the 2005 draft. Shannon Stewart led the WW offense with a .319 average, Sammy Sosa hit 33 HRs and Andruw Jones hit 30, but both hit under .270. The pitching was not much better, as the #1 and #2 starters in the rotation on opening day were released by season's end. With a team that did not have a single pitcher win in double digits, the only notable performance was Kelly Wunsch with his 23 saves in 26 chances and the only pitcher with a sub-3.00 ERA on the staff.

Stat Key

Below you will find some explanations on a few stat categories:

RC: runs created ($RC = [A \text{ times } B] \text{ divided by } C$), where,

$$A = H + W + HBP - CS - GIDP$$

$$B = TB + .26 \times (TBB - IBB + HBP) + .52 \times (SH + SF + SB)$$

$$C = AB + TBB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS: quality starts; the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or less.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

Ⓢ - TML Record

Ⓢ - Tied TML Record

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a dot (•) indicates that the player or pitcher tied for the lead in his Association in that stat category.
