The Major League

TML 2007

By Mike Landin

Our 29th season, the seventh with **Diamond Mind**, was interesting. **Arkansas** and **Walla Walla** traded places at the top of the **Ruth** all season, while on their way to a *tie* and a TML best 113 wins. **Albany** remained in control of the **Steinmetz**, as **Valparaiso** surfaced with the Wild Card. The **Gatto** saw **Beverly** run away and hide, while **Rensselaer** and eventual *Wild Card* **Glenmont** fought it out. In the **Gehrig**, an astounding late-season collapse of **Toxic Waste**, allowed **Traffic** to pull into a *tie*. **Traffic** won the 1-game playoff to join division winner **Oklahoma** in the playoffs. Three no-hitters were tossed during the Summer Stretch, all within one week's time! The post-season saw **Arkansas** cruise to the **TML World Series** and then have a tough time defeating **Traffic** in 7 games. **Mariano Rivera** is still the career ERA leader at 2.88, as well as for RP with 406. **Trevor Hoffman** has the most career saves (338). **Barry Bonds** upped his TML career homer total to 743, and still leads in career Runs Created with 2461. **Ichiro Suzuki** (.337) remains the career batting leader. **Mike Landin** (2494) is the leader in managerial career wins and the **Lake Wobegone** (Crimea) franchise (2712 Ws, .591) remains the most successful.

In keeping with tradition, here are the active members with at least 10 years of membership in the TML: **Mike Landin**(all 29), **Mark Hetterich**(26), **Eric Rogers**(24), **Bryan Sakolsky**(23), **Bob Weisman**(22), **Bill Graham**(21), **Hank Pedicone**(19), **Mark Plate**(18), **Pat Barry**(17), **Jeff Chapman**(16), **Kevin Tyle**(15), **Mike (Mr.) Cempa**(14) and **Mike Dickinson** (13). We say goodbye to **Doug Grahm** and **Jack Stephens**, but welcome newcomers **Steve Syzdek**, **Ross Lazear**, and **Don Brenner**.

The Year In Review

TML07 saw the **Arkansas Travelers** and Manager **Willie Jelks** win their first **TML Championship**, defeating the **Traffic Dodgers** and Manager **Ken Fusci** in the **TML World Series**. The **Travelers** coasted to the World Series, but ran into a fatigued, but tenacious **Traffic** team, which held out for the full 7 games before **Ace Brandon Webb** finally figured out the **Traffic** batters and shut them out! For **Willie** and **Arkansas** in the World Series, three times was a charm! For **Ken** and **Traffic**, it was their first ever trip. **Arkansas** swept past **Albany** in the first round and buried **Valparaiso** in 5. **Valparaiso** upset **Walla Walla** in a thrilling 7 game series, winning the final two on the road! **Traffic** clawed their way to the Series, upsetting defending TML Champ **Beverly** in 6 games in the first round, winning the final 3, including a 13-inning Game 6 nail biter! Next, they took out **Oklahoma** in 7 games, winning the final two on the road, 10-5 and 10-3. Congrats to all post-season managers for an exciting season and subsequent post-season.

Ruth Division

The **Walla Walla Wombats** and **Arkansas Travelers** fought hard for the division title all season, ending up tied with a TML best 113 victories. (The division was awarded to **Walla Walla**, having an 8-6 edge over **Arkansas** head-to-head). **Walla Walla's** fine pitching staff boasted four 16+ game winners, led by "*Pitcher of the Year*" **Cole Hamels** (24-2, 2.08, no-hitter). The entire bullpen had a composite ERA under 3.00, led by "Ace" closer **Jonathan Papelbon** (30 SV, only 2 BS, 1.58). On offense, the **Wombats** had power (203 HR), OBP (610 BB) and speed (118 SB). Their most feared bat was **David Wright** (.329, 47 2B, 31 HR, 144 RC). **Arkansas** had the best pitching (3.24) in the TML, led by dual 20-game winners **Brandon Webb** (22-4, 2.56) and **Aaron Harang** (20-6, 3.31). **Chien-Ming Wang** (15-5, 2.77) proved to be a solid 3rd starter. Their "Ace" closer was "*Fireman of the Year*" **Takashi Saito** (36 SV, 44 RP 1.13). **Arkansas** also boasted a quartet of 100+ RC power hitters, which included **Jim Thome** (.293, 36 HR), **Chipper Jones** (.343, 48 2B, 29 HR), **Aaron Rowand** (.284, 52 2B, 24 HR) and **Carlos Guillen** (.301, 39 2B, 20 HR). The **Cheticamp Micmacs** put together a .500 season. Their "Ace" was **James Shields**(18-6, 3.24). **Erik Bedard**(13-8, 3.30) combined with relievers **Shawn Chacon**(3.48) and **Rafael Soriano**(29 SV, 1.95) on a no-hitter. The **Jackson Trojans** just missed .500, behind **Andy Pettitte**(16-14, 3.65), **Aaron Cook**(13-7, 4.03) and **Jorge Posada**(.335, 35 2B, 22 HR). The **Hialeah Thoroughbreds'** shining star was **Ichiro Suzuki**(.350, 252 H), who has collected 200+ hits in each of his 7 TML seasons and picked up his 4th Golden Glove. **Josh Beckett**(12-8, 2.94) needed more support. The re-building **Danny Way Diamonds** had a tough season, finishing near the bottom in both batting and pitching. **Michael Young**(.309) and **J.J.Hardy**(23 HR) had fine seasons.

Gehrig Division

The **Oklahoma Supercells** put together a 20-8 September and capture the division. The offense was strong (TML 4th best), led by **Magglio Ordonez**(.335, 54 2B, 22 HR, 131 R), **Mike Lowell**(.318, 39 2B, 25 HR), **Matt Holliday**(.313, 41 2B, 30 HR) and **David Ortiz**(.302, 53 2B, 27 HR, 114 BB). The pitching was mid-pack. **Matt Cain**(18-12, 3.76) was the top starter and "Ace" closer **Bobby Jenks**(1.27) was outstanding, going 36-36 in save opportunities. The **Traffic Dodgers** pulled in a regular season tie with **Toxic Waste**, despite going 20-23 in the final two months! The **Dodgers** won the 1-game playoff to begin their remarkable journey to the **TML World Series**. **Traffic** had a steady offense, led by veterans **Vladimir Guerrero**(.336, 50 2B, 39 HR, 138 RBI) and **Derek Jeter**(.327, 41 2B, 123 R). **Kelvim Escobar**(14-8, 3.51) was the stop starter. The **Toxic Waste River Rats** were on their way to the playoffs when the sky fell, winning only 2 of their final 15 home games, including the final home game where they blew a 6-2 lead to **Rocky Mountain**, losing 8-6 when usually reliable **J.J.Putz**(35 SV, 3.21) gave us 6 runs in the 9th! Somehow, **Johan Santana**(15-11, 5.26, 48 HR) tied **Mark Buerhle**(15-9, 3.80) for most wins on the team. Offensively, **Mark Teixeira**(.319, 33 2B, 37 HR) and **Brandon Phillips**(.295, 33 2B, 31 HR) had the booming bats. The **Lake Wobegone Staring Rabbits**, despite being no-hit twice, put up a .500 season. The quartet of **Lance Berkman**, **Adrian Beltre**, **Grady Sizemore** and **Pat Burrell**, each rapped out 28+ 2B and 23-25 HR. Five different starters won from 10-12 games each, led by closer **Brian Fuentes**(12-5, 2.5 SV, 2.22). The **Rocky Mountain Chinooks** rode the arm of **C.C.Sabathia**(17-13, 4.30) and the bat of **Ryan Howard**(.272, 47 HR, 128 HR). **Juan Pierre**(53 SB) led the TML in SB again. The **Brandon BigWeezMachine** managed to not reach the 100 loss mark, but still finished 6th. Standouts included **Kenji Johjima**(.302, 36 2B, 21 HR), **Ryan Braun**(.286, 24 2B, 26 HR) and **Prince Fielder**(45 HR).

Steinmetz Division

The **Albany Avalanche** won the division behind a strong offense and solid pitching. **Matt Stairs**(.322, 33 2B, 25 HR), **Hanley Ramirez**(.297, 46 2B, 30 HR) and **Bobby Abreu**(.269, 107 R, 108 BB) led the attack. The "dual-Aces" of **Daisuke Matsuzaka**(17-6, 3.23) and **Fausto Carmona**(15-10, 2.90) anchored the staff. **Peter Moylan**(23 SV, 10 BS, 2.82) was a shaky closer. The **Valparaiso Drench** grabbed the *Wild Card* behind "timely" hitting and a strong bullpen. **Joaquin Benoit**(20 SV, 2.93) led the "bullpen-by-committee." **Ben Sheets**(12-4, 4.70) was their most effective starter. Ten different batters had 12+ HR, led by **Chase Utley**(.309, 39 2B, 13 HR) and **Raul Ibanez**(.304, 38 2B, 21 HR) and **B.J.Upton**(.297, 24 HR). The **Skayuna Squires** were in the hunt for a while, but dropped out late, due mainly to the lack of "timely" hitting. **Albert Pujols**(.300, 37 2B, 27 HR) had an "off year" by his own standards. **Victor Martinez**(.286, 31 2B, 32 HR) was steady and reliable. **Ted Lilly**(15-12, 3.17) emerged as the "Ace." The **Mudville Nine** fell short of .500. The pitching was fine, led by "Ace" **Joe Blanton**(15-10, 3.46). **Aaron Hill**(.295, 55 2B, 25 HR) was their batting star. The **Burleigh Blue Jays** had the bats, but not the pitching to contend. **Jason Bay**(.301, 25 2B, 22 HR), **Carlos Beltran**(.270, 30 2B, 27 HR), **Mike Cameron**(.246, 34 2B, 30 HR) and part-timer **Manny Ramirez**(15 HR, 86 RBI) led the offense. Their top starters were **John Smoltz**(13-11, 3.48) and **Orlando Hernandez**(11-7, 4.24). TML Career Saves Leader **Trevor Hoffman**(9 SV, 7 BS, 6.02) had a nightmare season. The **Perth Diamond Cats** finished in the cellar, but did see nice seasons from **Carlos Lee**(.290, 36 2B, 25 HR) and **Brandon Inge**(.288, 34 2B, 15 HR).

Gatto Division

The **Beverly Hillbillies** ran away and hid, winning their 5th division title in the past 7 years! They rode the explosive bat of "All Universe" and "*Player of the Year*" **Alex Rodriguez**(.371, 222 H, 27 2B, 73 HR, 158 R, 183 RBI, 111 BB), who set all time TML Records with 235 RC and 474 TB. **Beverly** had the 2nd strongest offense in the TML, scoring 941 R, with a league-leading 233 HR and 679 BB. They also had the 2nd best pitching staff in the league, led by "Ace" **Roy Halladay**(21-3, 2.67). **Jake Peavy**(18-8, 3.13) and **Brad Penny**(18-5, 3.28) made for a formidable trio. The **Glenmont Haymakers** emerged as the *Wild Card* behind **Justin Morneau**(.315, 38 2B, 34 HR) and four pitchers who won 13 or more games, led by **Brian Bannister**(17-7, 3.18). The **Rensselaer Strikers** had the best record (93 wins) of all teams not to make the playoffs. They boasted the top offense (.294) in the TML, scoring 973 R. The offensive star was **Carlos Pena**(.330, 32 2B, 57 HR, 133 R, 157 RBI, 142 BB, 190 RC), who, if not for A-Rod, would have been a run-away "Player of the Year." In support was TML batting champion, **Placido Polanco**(.377). **Derek Lowe**(16-5, 3.40) was the only consistent starter and even usually reliable **Mariano Rivera**(25 SV, 10 BS, 4.54) had an off-season. The **Ghostwood Pine Weasels** suffered from inconsistent pitching, as no starter won 10 games! **Miguel Cabrera**(.307, 36 2B, 28 HR) had a great season. The **Maine Liners** did not have a starter win 10 games, but **Carlos Silva**(9-16, 41.8) did toss a no-hitter! Other than part-time **Billy Butler**(.341), there was really no standout on offense. The **Carolina Crawfish**, also did not have a 10-game winner, but did have a 20-game loser in **Mike Pelfrey**(3-20, 6.23). It was once said that you have to be a very good pitcher to lose 20 games! The lone standout was **Joe Mauer**(.313, 32 2B).

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 51 Occupation: Financial Analyst

The Season Story

The aging Avalanche put together another run at 100 wins and fell just short with 99 wins. The wheels came off in the playoffs as they were dismantled by a fine Arkansas club. Dice K Matsuzaka (17 wins 3.23 ERA) and Fausto Carmona (15 wins 2.90 ERA) anchored a decent rotation. Ageless Russ Springer (1.77 ERA) and Peter Moylan (23 saves) paced a solid bullpen. The offense was dependable and rarely slumped. Hanley Ramirez and Mark Ellis put up All Star numbers up the middle and Bobby Abreu continued to get on base. Matt Stairs and Josh Willingham put up nice 400 at bat seasons. Overall it was a nice solid season, just not championship worthy. Next season, the team welcomes Matt Kemp and some new recruits as it seeks to rebuild quickly.

ARKANSAS Travelers

Manager: Bill Jelks (Lynda)

TML Champion

Age: 65 Occupation: Retired USAF Officer

The Season Story

Travelers have another great season winning over 100 games for the 5th straight year. In 2008 Travs won 113 games led by a pitching staff with a 3.24 team ERA. Brandon Webb was an eye popping 22-4 and Aaron Harang was 20-6. Closer Takashi Saito was 8-1 with 36 saves and a stingy 1.13 ERA. Offense was led by Chipper Jones (.344, 29 HR), Jim Thome (36 HR) and Rookie Hunter Pence (.315). Jones scored 121 runs, Aaron Rowand 118 and Carlos Guillen 100. Interestingly, no one drove in 100 but Guillan has 99, Thome 98 and Jones 93. Arkansas breezed through the first two playoff rounds sweeping the Albany Avalanche 4 - 0 in the Oceanic Conference Divisional series and defeating the Valparaiso Drench 4-1 in the Oceanic LCS. Travs finally made it all the way winning the World Series in a thrilling 7-game spine tingler over the terrific Traffic Dodgers...congratulations to Ken for their fine year. Now to rebuild or not ... off season will be interesting.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 39 Occupation: Scientist/Meteorologist

The Season Story

The Hillbillies, riding the strength of an outstanding offensive performance from Alex Rodriguez and solid pitching, vaulted to another division title. ARod paced an otherwise average, generic offense... leading the league in HRs (73, 16 more than 2nd place), RBIs (183, 26 more than 2nd place) and in runs created (235 or 46 more than second place). Only Ryan Zimmerman contributed with more than 100 Runs Created to the team. Without ARod Beverly would have been a 3rd place team at best. The pitching was solid led by Roy Halladay (another 20 win season), Jake Peavy, and long-time Hillbilly Brad Penny (both with 18 wins). The bullpen was overall steady (though not without a few collapses). Despite ARod, the Hillbillies were quickly dispatched from the playoffs. ARod has been moved and the Hillbillies will have a different look come next season.

BRANDON BigWheezMachine

Manager: Kyle Weisser (Lisa)

Age: 38 Occupation: Meteorologist

The Season Story

Brandon found a way out of the ditch, well at least the league ditch, but was stuck in last place in the Gehrig division. Signs of life were seen however with Prince Fielder and Ryan Braun putting together good seasons. Joey Gathright also played above his head coming in with a .346 average. Offensively though, Kenji Johjima was probably the biggest surprise with a .302 average and 57 extra base hits. Pitching again proved to be stubbornly awful with only one sub-4.00 ERA pitcher. However, with a little wiggle room at 3B and the outfield, trades for Brett Myers and Francisco Liriano will hopefully bolster the pitching staff. Early season pick-ups of Jorge Cantu and Todd Wellmeyer also look to add life to a struggling ball club.

BURLEIGH Blue Jays

Manager: Jim Pertierra (Janet)

Age: 59 Occupation: Supervisor - Verizon

The Season Story

How short can you be? Burleigh was no good to begin with, traded their best offensive player and is looking forward to next year with Santana. No matter how bad it got, the team battled but, ultimately were overmatched all along the way. It was a sweet (hopefully not) swan song for John Smoltz, who is one of my favorites. I am hoping that Smoltzy gets some voodoo on his arm and can return to work with the other JS to ward off the evil of DW (what a trade that was!!). Looking forward to ManRam, Bay, Mora and Beltran combining for more offense than we have had in awhile. Goodbye Craig Biggio, Burleigh was honored! Forward into the past.

CAROLINA Crawfish

Manager: Carl Schreck (Mary)

Age: 27 Occupation: Grad Student/Meteorologist

The Season Story

Going into the season, all indications were that this team would challenge the River Rats' league-record 130 losses from 2002. Instead, the Crawfish pulled off an astonishing 42 wins, missing the playoffs by a mere 54 games! Despite shattering expectations, Carl Schreck was STILL passed over for Manager of the Year honors. Carolina's ownership group has ordered the GM not to make any major moves this off-season, instead pouring all their money into a new pitcher-friendly stadium. One owner has been quoted saying, "It's a lot cheaper to buy longer fences than better pitchers." Crawfish fans are left hoping that their baby-faced lineup can grow into their new park.

CHETICAMP Micmacs

Manager: Eric Rogers (Barbara)

Age: 50 Occupation: Meteorologist

The Season Story

Another .500 season for Cheticamp's hitless wonders, enough for 3rd place in the Ruth (soon to be renamed "Jelks/Sakolsky") division :). The pitching was solid behind Shields, Bedard and a killer bullpen, but the offense was anemic. The year's highlight was a combined **no-hitter** by Bedard and Chacon against Lake Woebegone (welcome back to the TML, Bob!). Next year looks to be more of the same, but with some major roster holds (OF and C) I don't expect to see .500.

DANNY WAY Diamonds

Manager: Mark Hetterich (Connie)

Age: 61 Occupation: Instructional Designer

The Season Story

Michael Young led the DW offense in 2007 with a solid .309 batting average, scoring 67 runs and knocking in 68. Dismal pitching doomed DW to their last place finish. The staff was led by Chad Gaudin, 14-14, 4.74 ERA. The rebuilding process continues for the Diamonds - the offense has prospects at nearly every position and the young team slugged 263 HRs in 2008 in the BIGs. Likewise the rebuilding of the starting staff is nearly complete with a young nucleus of Baker, Saunders, Wainwright, Slowery, and Maine. The future looks bright.

GHOSTWOOD Pine Weasels

Manager: Kevin Tyle **2009 Team Name Change:** Duluth Thunder Cats
Age: 44 **Occupation:** Computer Administrator/Meteorologist

The Season Story

The endless rebuilding process continued for another year. Although offense improved, it wasn't nearly enough to offset lack of overall batting depth, as well as a very weak starting rotation. The addition of Ryan Theriot gave the Pine Weasels their first legitimate leadoff man in years, while Ian Kinsler and Miguel Cabrera finished off a solid top part of the order. After that, it was slim pickings, with the usual vulnerability to lefthanders. With the exception of Aaron Laffey in a limited number of starts, the rotation was atrocious. The bullpen lacked depth, although Chris Ray sparkled in the closer role, and rookie Joba Chamberlain provided hope for the future. Next year, the Pine Weasels leave their ghostly habitat for a hopefully "superior" Duluth.

GLENMONT Haymakers

Manager: Dave Vollaro (Sandra)

Age: 45 Occupation: Research Programmer/Meteorologist

The Season Story

The Haymakers unexpectedly made a run to the playoffs where they were promptly bounced by Oklahoma in the 1st round. Looking toward next year we expect our team's performance to mirror that of the US economy. Therefore we may be looking at a bailout "TML style" in the form of the lottery.

The Season Story

The T-Breds had lots of talent, but were in a tough division headed by Arkansas and Walla Walla. The standout star was once again Ichiro Suzuki (.350, 252 H, 122 RC). Suzuki has had 200+ hits in each of his xx TML seasons and yet another error-less season in the outfield! There was not much other offensive support, except for the "Curious Case of Jack Cust" and his "money ball" stats (.442 OBP, .569 SLG, 25 HR, 94 RC). Alfonso Soriano blasted 24 HR and was 15/16 in SB, but only hit .261 (69 RC). Dan Uggla was last in team batting at .207 (64 RC), but still produced nearly as many runs as Soriano. Josh Beckett was the staff "Ace", going 12-8, with a 2.94 ERA. Roy Oswalt (11-11) and Jeff Francis (12-16) had tough seasons. Joakim Soria (6-2-31-37, 1.37) was an efficient closer out of the pen. Darren Oliver (13 RP, 2.15) and Jon Rauch (9 RP, 2.52) provided solid back-up relief in the closer role, when Soria was not available. The team is moving from sunny southern FL, north to Madison, WI and will be under new leadership in 2009.

JACKSON Trojans

2009 Team Name Change

Manager: Jack Stephens (Lorraine)

Greenville Fightn Mallards

Age: 64 **Occupation:** USAF Retired – VA Employee

The Season Story

The Trojans came into season expecting to be a so-so squad but actually exceeded expectations finishing 79 - 81 for the year. Team can best be summed up as "being in transition mode" with aging offensive veterans Posada and Griffey looking to serve as mentors for the likes of Milledge and Barton, there was just not enough thump in lineup to carry a very weak pitching staff. Rafael Perez and Jeremy were bright spots out of pen. Manager Stephens, in season ending interview, talked of team's long range plans. Those plans were shelved though when manager Stephens was forced from his position as "life" unceremoniously led to his ouster as manager of the Jackson Trojans.

LAKE WOBEGONE Staring Rabbits

Manager: Bob Weisman

Age: 48 **Occupation:** Meteorology Professor

The Season Story

It was a pretty good season for Lake Wobegone with OK players like Lance Berkman, Grady Sizemore, and Pat Burrell (for the first half). However, the fans, who are all above average, questioned management's tendency to stare, rather than take action. While this approach nursed surprising performances like bullpen-saver Mike Mussina (10 wins, including three in relief), the laissez-faire management couldn't light a fire under Jose Reyes (or perhaps he was just too cold) and gave loads of at-bats for no apparent reason to Damian Miller, Jonny Gomes, and Elijah Dukes. The manager was really slow on the hook, allowing Brandon Arroyo and his musical mullet to roast while pitching 215 innings at 8-19, 6.44 ERA. Note to management: feel free to turn your gaze to a reliever or two next year.

The Season Story

There's really not a lot to say to say - other than it was a rebuilding year, and a season we'd rather forget. It brought back memories of the early Mansion Hill days. There were a few highlights as the young pitching showed some signs of their potential, but all in all the team is looking toward the future and trying to forget the past.

MUDVILLE Nine

Manager: Bill Graham (Cathy)

Age: 58 Occupation: Attorney

The Season Story

It was an interesting season. This was the best team fielded by Mudville in many a year. Still, it could not break the .500 mark, thanks in large part to going 1-13 against longtime Steinmetz Division powerhouse, the Albany Avalanche. We look to be an improved team next year. We've identified three areas for improvement.

- 1) Get rid of the guys who can't hit the ground if they fell out of a plane;
 - 2) Corner the market on Pakistani players; and
 - 3) Clone a line-up of Alex Rodriguez's and a pitching staff of Roy Halladays.
- That should do it.

OKLAHOMA Supercells

Manager: Mark Plate (Michelle)

Age: 43 Occupation: Meteorologist

The Season Story

The Supercells were a pleasant surprise this season, winning the Gehrig Division with a 92-68 record and advancing to the Conference finals. Magglio Ordonez, Mike Lowell, Matt Holliday, and David Ortiz led a potent offensive attack, and Bobby Jenks was a perfect 36 of 36 on save opportunities. Doug Brocail and Javier Lopez both did well in a setup role. The starting pitching was somewhat of a disappointment. Matt Cain was the most consistent starter, compiling an 18-12 record with a 3.76 ERA. Curt Schilling was 10-2 thanks mainly to the potent offense, as his ERA was a rather high 4.54. Jon Lieber had a fine season as a spot starter, going 5-2 with a 3.02 ERA in 12 starts. The rest of the starters had little success, with Noah Lowry being the biggest disappointment of all.

PERTH Diamond Cats

Manager: Steve Syzdek (Suzanne)

Age: 38 Occupation: Attorney

The Season Story

The Perth Diamond Cats inaugural season in the TML was a tough one. The lack of offensive prowess made manager Syzdek's blood boil like he had cat scratch fever! Carlos Lee, Brandon Inge and Mike Lamb who hit lefties like they were little leaguers were the offensive bright spots for the Cats. On the mound things didn't go too badly for the Cats. Juan Gutierrez was a huge surprise and dominated left handed hitters all season long. Perth also saw solid bull pen performances from Manny Corpas and Carlos Marmol. The new GM will continue to break down this franchise and attempt to build it into a playoff contending team. Perth has already made some nice acquisitions that should strengthen the team and make it more competitive in 2009!

RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 34 Occupation: Scientific Programmer

The Season Story

Post-season baseball was expected in Rensselaer and it was not delivered. The Rensselaer offense was stout. Rensselaer led the TML in batting average and runs scored. Carlos Pena (481 OBP, 57 HR, 157 RBI) was seemingly 90% of the offensive output. The pitching, however, was abysmal, lead by star bum Mariano Rivera (4.54 ERA, 10 BS), who severely missed expectations. The future is uncertain in Rensselaer. Angry fans are still picketing outside manager Nocera's office asking for his head.

ROCKY MOUNTAIN Chinooks

Manager: Jeff Chapman (Sally)

Age: 42 Occupation: Meteorologist

The Season Story

Home fans were psyched by a 3-2 opening series win over TML Champ Beverly. But even Joe Lieberman could see that what should have been a playoff contender with an average offensive year was but the kissing cousin of the Big Weez Machine, with an abysmal 5.13 ERA and a staff of relievers who battled to see if they could give up more inherited runs than their own (TML worst .405 IRS). How did Nathan end up with a league-high 36 saves anyhow? Good news is that the Chinooks earned their carbon credits for the year with the cooling effect of TML highs in whiffs by Kazmir (133 BB too) and Ryan "20/20" Howard, and Pierre's speed (53 SB). Perhaps "Sarah Palin Look-Alike Night" or "Your 401K Balance-Your Ticket Price" will keep the fans coming?

'SKAYUNA Squires

Manager: Hank Pedicone (Eileen)

Age: 58 Occupation: Attorney

The Season Story

Another disappointing season for the Squires, who started out with pretty decent hopes of making the playoffs. While they stayed in the race for second place all season, they never could put together a consistent winning stretch, and offensive production was way below projections. One major issue was a decided inability to play well at home: the Squires had a winning road record, but posted a miserable 36-44 record in 'Skayuna. The pitching, although spotty, was at least very mediocre; the main problem was a lack of timely hitting. Even Albert Pujols hit "only" 27 Hrs, with a .300 batting average. Despite generally underwhelming performances the Squires managed to stay in the race until series 14, when they dropped 5 games at home to Valparaiso. Bright spots? Well... we didn't cut Edinson Volquez!

TOXIC WASTE River Rats

Manager: Mike Landin (Teri)

Age: 55 Occupation: Part-time Prof./Meteorologist-Retired

The Season Story

Perhaps the most *numbing* season of my entire table-gaming career. The total collapse of the Toxins was even worse than the Mets of MLB! They only had to win one of their final 6 games to make the playoffs against Rocky Mountain. The collapse was completed by losing to Traffic in the 1-game playoff. The final tally was a 2-13 *home* field finish! On a good note, Mark Teixeira and Brandon Phillips led the offense, both blasting 30+ HRs. Nick Swisher was a constant contributor (100+ RCs) , despite a sub-.250 average. The pitching was basically, unreliable! John Santana ended up with the highest ERA (5.26) on the entire team ... and was traded away at season's end due to lack of production as a career Toxin. The bullpen had been doing great until the final two homestands. Greg Maddux emerged, once again, as the "Ace" of the staff, winning 12 more games, upping his TML career win total to 362. Maddux has been invited back for one more season. Due to the Toxins home park (Coors) being *trashed* after their devastating final loss, the team is moving thousands of miles east to Shea Stadium in 2009. Irony?

TRAFFIC Dodgers

Manager: Ken Fusci (Rozanne)

Age: 61 Occupation: Retired (NYSDOT)

The Season Story

The Traffic Dodgers, led by veterans Guerrero and Jeter, took full advantage of the opportunity given them by the Toxins to make a magical run through the playoffs, and nearly pulled off the World Series upset, losing in seven games to 113-game winning Regular Season co-champ Arkansas. Kelvin Escobar was a workhorse, both in the Regular and Postseason, nearly always facing opposing "Aces", and very often bettering them, especially in the Playoffs. He'll be sorely missed in next year's rotation as he sits out the Season on the IR. Despite the pitching deficiencies, the Dodgers should once again be a Division contender next year, with the aging vets still putting up very decent numbers, and the younger stars, such as Victorino and Y. Molina, showing improvement and promise for the future.

VALPARAISO Drench

Manager: Alan Srock

Age: 27 Occupation: Grad Student/Meteorologist

The Season Story

The Drench had another solid year in TML, anchored primarily by timely hitting and a solid bullpen. Four relievers with ERAs under 3.00 helped keep the Drench in the close games. Ben Sheets led the team with a 12-4 record, and Chase Utley led the hitters with a .309 average. For the second year in a row, Valpo made it to the playoffs, and pulled off a huge upset over the Wombats in the opening round before falling to the Travelers. The Drench have a good young core of players, and hope to make another playoff run next year!

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 41 **Occupation:** Financial Advisor

The Season Story

The Wombats had an amazing run winning 113 games and tying Arkansas for the best record in the league. Unfortunately the amazing starting pitching that carried them through the year went south and the Wombats were knocked out in the first round of the playoffs by Valparaiso. The offense was led by a great season from David Wright .329/.403/.549 31 HR 124 RBI and Jememy Hermida .330/.389/.541 18 HR. but it was the pitching that really made the season. Cole Hamels 24-2 2.08 ERA as well as three others with at least 15 wins paced the staff. The bullpen featured 7 relievers with ERAs less than three lead comeback king by Troy Percival 4-1 0.77 ERA and Jonathan Papelbon 30 saves 1.58 ERA.

Stat Key

Below you will find some explanations on a few stat categories:

RC: runs created (RC = [A times B] divided by C), where,

$$A = H + W + HBP - CS - GDP$$

$$B = TB + .26 \times (TBB - IBB + HBP) + .52 \times (SH + SF + SB)$$

$$C = AB + TBB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS: quality starts; the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or less.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

Ⓢ - TML Record

Ⓢ - Tied TML Record

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a dot (•) indicates that the player or pitcher tied for the lead in his Association in that stat category.
